Mortgagor hereby mortgages all title hereafter acquired, as well as title heretofore acquired and does fully warrant the title to said land and will defend the same against the lawful claims of all persons whomsoever, and Mortgagor agrees:

- 1. This mortgage shall also secure such future or additional advances as may be made by the Mortgagee at the option of Mortgagee to the Mortgagor, or the successors in title of Mortgagor, for any purpose provided that all such advances are to be made within ten years from the date of this mortgage or within such lesser period of time as may hereafter be provided by law as a prerequisite for the sufficiency of actual notice or record notice of such optional future or additional advances as against the rights of creditors or subsequent purchasers for a valuable consideration. The total amount of indebtedness secured by this mortgage may decrease or increase from time to time, but the total unpaid balance so secured at any one time shall not exceed an amount equal to twice the original principal balance of the promissory note described hereinabove, plus interest thereon, and any disbursements made by the Mortgagee pursuant to the authority of this mortgage with interest on such disbursements.
- 2. To make all payments required by the note and this mortgage promptly when due.
- 3. To pay all taxes, assessments, liens and encumbrances on the property promptly when due. If they are not promptly paid, the Mortgagee may pay them without waiving the option to foreclose, and such payments, with interest at a rate 2% higher than the note secured hereby or at the maximum rate allowed by law, whichever is lesser, shall be payable on demand by Mortgagee and shall be secured by this mortgage.
- 4. To keep all buildings now or hereafter on the land insured against damage by fire, casualty, windstorm and lightning in the sum secured by this mortgage, by an insurer satisfactory to the Mortgagee, the insurance policy to be held by and payable to the Mortgagee. Upon the failure of Mortgagor to keep the buildings on the property in good condition or repair, Mortgagee may demand either the adequate repair of the buildings, an increase in the amount of security, or the immediate repayment of the debt secured. Failure of Mortgagor to comply with the demand of Mortgagee for a period of fifteen days shall constitute a breach of this mortgage.
- 6. To pay all expenses reasonably incurred by Mortgagee due to failure of Mortgagor to comply with the agreements in the note or this mortgage, including reasonable attorney's fees. The cost thereof, with interest thereon from the date of payment at the rate specified in the note, shall also be secured by this mortgage.
- 7. That if any of the installments of principal or interest due by the terms of said promissory note are not paid when due; if Mortgagor should transfer, convey, or otherwise convey any interest in the Premises whatsoever without the prior written consent of Mortgagee; or if any agreement in this mortgage other than the agreement to make the payments is breached, the entire unpaid principal balance of the note plus interest, costs, and attorney's fees, shall immediately become due at the option of Mortgagee, and Mortgagee may foreclose this mortgage in the manner provided by law, and have the mortgaged property sold to satisfy or apply on the indebtedness hereby secured.
- 8. The rents and profits of the mortgaged property are also hereby mortgaged, and if proceedings to foreclose this mortgage shall be instituted, the court having jurisdiction hereof should appoint a receiver of the mortgaged property, and apply those rents and profits to the indebtedness hereby secured, regardless of the solvency of the Mortgagor or the adequacy of the security.
