CONTRACT FOR DEED

THIS AGREEMENT made and entered into this 4th day of May 1998, by and between JUANITA L. TOMBLIN, Trustee of The Juanita L. Tomblin Revocable Trust, herein called Seller, and RUFUS TYRONE TYSON, a single man, herein called Buyer,

WITNESSETH:

That in consideration of the sum of One Hundred (\$100.00) Dollars and of the mutual promises and covenants contained in this agreement and other valuable considerations passed between the parties to it, the Seller agrees to sell to the Buyer, and the Buyer agrees to buy from the Seller, the following described real property situate, lying and being in Escambia County, Florida, to wit:

Lots 1 and 12, Block D and Parcel F, Whispering Oaks, a subdivision of a portion of Section 34, Township 2 South, Range 30 West, Escambia County, Florida, according to plat recorded in Plat Book 8, page 36 of the public records of said County, said Parcel F being designated as "Not Included this Plat".

for a total purchase price of Twenty-seven Thousand Dollars (\$27,000.00), of which the Buyer has paid the sum of Ten Thousand Dollars (\$10,000.00), receipt of which is hereby acknowledged by Seller, and agrees to pay the remaining balance of Seventeen Thousand Dollars (\$17,000.00), together with interest at the rate of Eight and one-half percent (8.5%) per annum computed with monthly rests, in accordance with the terms of the promissory note of date even herewith executed by the Buyer payable to the Seller, such payments to be in the sum of \$157.60 per month, principal and interest, commencing one month from date, and continuing on the same day of each month thereafter for 61 months, at which time the full unpaid balance of principal and all accrued interest shall be due and payable:

1. When the balance due hereunder has been paid in full, Seller shall deliver to the Buyer a warranty deed conveying title to the above property to the Buyer free and clear of liens and encumbrances, except for existing pedestrian easements and utility easements, subdivision restrictions and the lien of taxes and such other liens as the Buyer may hereafter impose or suffer. Buyer will pay all taxes for 1998 and thereafter.

2. The Buyer shall be permitted to go into possession of the property covered by this agreement on the date of its execution. All taxes, assessments and levies of every nature shall be paid by the Buyer before their delinquency, failing which the Seller (without obligation to do so) may pay them without waiving or affecting any right contained herein and charge the sums so paid, together with a service fee of ten percent (10%) of their amount, to the Buyer, and such sums of money shall bear interest from the date of payment at the highest lawful rate. If the receipts for payment of such taxes are not delivered by the Buyer to the Seller by the date the same become delinquent, the Seller may order a tax search of the public records to determine the true status of the

taxes and charge the cost of such search to the Buyer, and such charge shall be secured by this agreement and shall bear interest at the highest lawful rate.

3. The Buyer shall keep the improvements upon said property insured in the name of the Seller and the Buyer as their interests may appear, in an insurance company licensed to do business in the State of Florida satisfactory to Seller, in a sum not less than the balance due on this contract, or the full insurable value, whichever is less. In the event of the Buyer's failure to perform this covenant, the Seller may (but shall not be required to) place insurance on such improvements, pay the premiums therefor and charge the sums so paid, together with a service fee of ten percent (10%) of their amount, to the Buyer, and such sums shall be secured by this agreement and shall bear interest at the maximum rate permitted by law. In the event of a loss by fire or other casualty the Buyer shall give immediate notice by mail to the Seller, and Seller may, if any sum becomes payable under such policy, apply it to the indebtedness secured by this contract, or may permit the Buyer to use it for other purposes without impairing the lien of this mortgage.

4. The Buyer shall not permit, commit or suffer any waste, impairment or deterioration of the property, or any part of it. Upon the failure of Buyer to keep the improvements on the property in good condition or repair, Seller may demand either the adequate repair of the improvements, an increase in the amount of security, or the immediate repayment of the debt secured hereby. Failure of Buyer to comply with the demand of Seller for a period of thirty (30) days shall constitute a default hereunder.

5. Buyer shall not convey or assign his rights under this agreement without the written consent of Seller. Such consent shall not be withheld if Buyer's proposed assignee has the apparent financial ability to perform the Buyer's obligations hereunder and if such assignee agrees to increase the interest rate on the unpaid balance due hereunder to a rate equal to that currently being charged by savings and loan associations in Escambia County, Florida, and if such assignee assumes the obligations of the Buyer hereunder and the obligation to pay such additional interest. No assignment, whether with or without the consent of the Seller, shall relieve the Buyer of his obligations hereunder. In the event of such an assignment, the Seller, without notice to the Buyer, may deal with the Buyer's assignee or successors in interest with reference to the premises and the debt secured hereby in the same manner as with the Buyer and may forbear to sue or may extend time for payment of the debt secured, without discharging or in any way affecting the liability of the Buyer under this instrument or upon the debt secured. Any assignment without Seller's consent shall constitute a default hereunder.

6. Buyer shall pay for the recording of this contract, together with required documentary stamps and intangible tax hereon. Upon the execution and delivery by Seller to Buyer of a deed of conveyance, Buyer shall pay all required recording and documentary stamps and surtax upon the deed.

7. The time of payment shall be of the essence. Buyer shall pay the late payment penalties provided in the promissory note for payments received by Seller more than ten (10) days after their due date. Any default in the performance of the obligations of the promissory note and any failure to comply with the obligations of this contract shall constitute a default hereunder. In the event of such default, Seller may consider the whole of the balance due under this agreement as immediately due and payable and collectible, or the Seller may rescind this agreement, retaining the cash consideration paid for it as liquidated damages, and this agreement shall then become null and void, and in that event, Seller shall have all of the remedies available by law, including the right to foreclose Seller's Vendors' Lien as if this contract

were a mortgage. In the event that Seller seeks to enforce this agreement by foreclosure or other legal proceedings, all costs of those proceedings, including reasonable attorney's fees of not less than ten percent (10%) of the balance of principal and interest owed by Buyer to Seller, shall be paid by the Buyer and shall be secured by the Vendors' Lien retained hereby.

IN WITNESS WHEREOF, the parties have set their hands and seals the day and year first above written.
