6. If any payment provided for in that note is not paid within ten days after it becomes due, or if any agreement in this mortgage other than the agreement to make the payments is breached, the entire unpaid balance of that note shall immediately become due at the option of the Mortgagee and in accordance with the terms of said note and the Mortgagee may foreclose this mortgage in the manner provided by law, and have the mortgaged property sold to satisfy or apply on the indebtedness hereby secured.
7. The rents and profits of the mortgaged property are also hereby mortgaged, and if proceedings to foreclose this mortgage shall be instituted, the court having jurisdiction thereof should appoint a receiver of the mortgaged property, and apply those rents and profits to the indebtedness hereby secured, regardless of the solvency of the Mortgagor... or the adequacy of the security.
8. If this mortgage is subject and subordinate to another mortgage, it is hereby expressly agreed that should any default be made in the payment of any installment of principal or of interest on said prior mortgage, the holder of this mortgage may pay such installment of principal or such interest and the amount so paid with legal interest thereon from the time of such payment may be added to the indebtedness secured by this mortgage and the accompanying note shall be deemed to be secured by this mortgage, and it is further expressly agreed that in the event of such default or should any suit be commenced to foreclose said prior mortgage then the amount secured by this mortgage and the accompanying note shall become and be due and payable at any time thereafter at the sole option of the owner or holder of this mortgage.
9. If not prohibited by law or regulation, this mortgage and all sums hereby secured shall become due and payable at the option of the mortgagee and without notice to mortgagor forthwith upon the conveyance of mortgagor's title to all or any portion of said mortgaged property and premises, or upon the vesting of such title in any manner in persons or entities other than or with, mortgagor unless the purchaser or transferee assumes the indebtedness secured hereby with the consent of the mortgagee.
