 - k. The mortgagee shall have the right to inspect the mortgaged premises at any reasonable time.
- 2. Default in any of the covenants or conditions of this instrument or of the note or loan agreement secured hereby shall terminate the mortgagor's right to possession, use, and enjoyment of the properties, at the option of the mortgagee or his assigns (it being agreed that the mortgagor shall have such right until default). Upon any such default, the mortgagee shall become the owner of all of the rents and profits accruing after default as security for the indebtness secured hereby, with the right to enter upon said properties for the purpose of collecting such rents and profits. This instrument shall operate as an assignment of any rentals on said properties to that extent.
- 3. The mortgagor covenants and agrees that if he shall fail to pay said indebtedness or any part thereof when due, or shall fail to perform any covenant or agreement of this instrument or the promissory note secured hereby, the entire indebtedness hereby secured shall immediately become due, payable, and collectible without notice, at the option of the mortgagee or assigns, regardless of maturity, and the mortgagee or his assigns may before or after entry sell said properties without appraisement (the mortgagor having waived and assigned to the mortgagee all rights of appraisement):
 - (I) at judicial sale pursuant to the provisions of 28 U.S.C. 2001 (a); or
- (II) at the option of the mortgagee, either by auction or by solicitation of sealed bids, for the highest and best bid complying with the terms of sale and manner of payment specified in the published notice of sale, first giving four weeks' notice of the time, terms, and place of such sale, by advertisement not less than once during each of said four weeks in a newspaper published or distributed in the county in which said properties are situated, all other notice being hereby waived by the mortgagor (and said mortgagee, or any person on behalf of said mortgagee, may bid with the unpaid indebtedness evidenced by said note). Said sale shall be held at or on the properties to be sold or at the Federal, county, or city courthouse for the county in which the properties are located. The mortgagee is hereby authorized to execute for and on behalf of the mortgagor and to deliver to the purchaser at such sale a sufficient conveyance of said properties, which conveyance shall contain recitals as to the happening of the default upon which the execution of the power of sale herein granted depends; and the said mortgagor hereby constitutes and appoints the mortgagee or any agent or attorney of the mortgagee, the agent and attorney in fact of said mortgagor to make such recitals and to

and Regulations of the Small Business Administration [13 C.F.R. 101.1(d)]. This instrument is to be construed and enforced in accordance with applicable Federal law.

- i. The mortgagor covenants and agrees as follows:
- a. He will promptly pay the indebtedness evidenced by said promissory note at the times and in the manner therein provided
- b. He will pay all taxes, assessments, water rates, and other governmental or municipal charges, fines, or impositions, for which provision has not been made hereinbefore, and will promptly deliver the official receipts therefor to the said mortgagee.
- c. He will pay such expenses and fees as may be incurred in the protection and maintenance of said properties, including the fees of any attorney employed by the mortgagee for the collection of any or all of the indebtedness hereby secured, or foreclosure by mortgagee's sale, or court proceedings, or in any other litigation or proceeding affecting said properties. Attorneys' fees reasonably incurred in any other way shall be paid by the mortgagor.
- d. For better security of the indebtness hereby secured, upon the request of the mortgagee, its successors or assigns, he shall execute and deliver a supplemental mortgage or mortgages covering any additions, improvements, or betterments made to the properties hereinabove described and all properties acquired by it after the date hereof (all in form satisfactory to mortgagee). Furthermore, should mortgager fail to cure any default in the payment of a prior or inferior encumbrance on the properties described by this instrument, mortgager hereby agrees to permit mortgagee to sure such default, but mortgagee is not obligated to do so; and such advances shall become part of the indebtness secured by this instrument, subject to the same terms and conditions.
- e. The rights created by this conveyance shall remain in full force and effect during any postponement or extension of the time of the payment of the indebtedness evidenced by said promissory note or any part thereof secured hereby.
- f. He will continuously maintain hazard insurance, of such type or types and in such amounts as the mortgagee may from time to time require on the improvements now or hereafter on said properties, and will pay promptly when due any premiums thereof. All insurance shall be carried in companies acceptable to mortgagee and the policies and renewals thereof shall be held by mortgagee and have attached thereto loss payable clauses in favor of and in form acceptable to the mortgagee. In event of loss, mortgagor will give immediate notice in writing to mortgagee, and mortgagee may make proof of loss if not made promptly by mortgagor, and each insurance company concerned is hereby authorized and directed to make payment for such loss directly to mortgagee instead of to mortgagor and mortgagee jointly, and the insurance proceeds, or any part thereof, may be applied by mortgagee at its option either to the reduction of the indebtness hereby secured or to the restoration or repair of the properties damaged or destroyed. In event of foreclosure of this mortgagee, or other transfer of title to said properties in extinguishment of the indebtedness secured hereby, all right, title, and interest of the mortgagor in and to any insurance policies then in force shall pass to the purchaser or mortgagee or, at the option of the mortgagee, may be surrendered for a refund.
- g. He will keep all buildings and other improvements on said properties in good repair and condition; will permit, commit, or suffer no waste, impairment, deterioration, of said properties or any part thereof; in the event of failure of the mortgagor to keep the buildings on said premises and those erected on said premises, or improvements thereon, in good repair, the mortgagee may make such repairs as in its
