and agrees:

1. To make all payments required by that note and this mortgage promptly when due.
2. To pay all taxes, assessments, liens and encumbrances on that property promptly when due. If they are not promptly paid the Mortgagee may pay them without waiving the option to foreclose, and such payment, with interest thereon from the date of payment at the same rate as specified in that note, shall also be secured by this mortgage.
3. To keep the buildings now or hereafter on that land insured against damage from fire and other hazards in the sum secured by this mortgage, by an insurer satisfactory to the Mortgagee. If the Mortgagor shall not do so, the Mortgagee may do so without waiving the option to foreclose, and the cost thereof, with interest shall also be secured by this mortgage. If any sum becomes payable under such policy, the Mortgagee may apply it to the indebtedness secured by this mortgage, or may permit the Mortgagor to use it for other purposes, without impairing the lien of this mortgage.
4. To commit, permit, or suffer no waste, impairment, or deterioration of the mortgaged property.
5. To pay all expenses reasonably incurred by the Mortgagee because of the failure of the Mortgagor to comply with the agreements in that note or this mortgage, including reasonable attorney's fees. The cost thereof, with interest shall also be secured by this mortgage.
6. If any payment provided for in that note is not paid within days after it becomes due, or if any agreement in this mortgage other than the agreement to make the payments is breached, the entire unpaid principal balance of that note shall immediately become due and payable at the option of the Mortgagee, and the Mortgagee may foreclose this mortgage in the manner provided by law, and have the mortgaged property sold to satisfy or apply on the indebtedness hereby secured.
7. The rents and profits of the mortgaged property are also hereby mortgaged, and if proceedings to foreclose this mortgage shall be instituted, the court having jurisdiction thereof should appoint a receiver of the mortgaged property, and apply those rents and profits to the indebtedness hereby secured, regardless of the solvency of the Mortgagor or the adequacy of the security.
8. This is a purchase money mortgage.
9. If there should be any transfer or agreement for transfer made by the mortgagor of the premises herein described, or any part thereof, (without the written consent of the mortgagee) all sums of money secured hereby shall immediately and concurrently with such transfer or agreement for transfer become due and payable and in default, and subject to foreclosure.
10. If the note holder has not received the full amount of any monthly payment by the end of fifteen calendar days after the date it is due, I will pay a late charge to the note holder. The amount of the charge will be 5% of my overdue payment or principal and interest. I will pay this late charge promptly but only once each late payment.
