as security for the payment of the following:

One Promissory Note of even date in the amount of \$32,000.00 at 8.0% per annum with payments to start April 19, 1993.

AND Mortgagor mortgages hereby all title hereafter acquired as well as title heretofore acquired and does fully warrant the title to said land and will defend the same against the lawful claims of all persons whomsoever, and Mortgagor further agrees:

1. This mortgage shall also secure such future or additional advances as may be made by the Mortgagee or a subsequent holder at the option of Mortgagee or the subsequent holder to the Mortgagor, or its successors in title, for any purpose provided that all such advances are to be made within twenty years from the date of this mortgage or within such lesser period of time as may hereafter be provided by law as a prerequisite for the sufficiency of actual notice or record notice of such optional future or additional advances as against the rights of creditors or subsequent purchasers for a valuable consideration. The total amount of indebtedness secured by this mortgage may decrease or increase from time to time, but the total unpaid balance so secured at any one time shall not exceed the amount of the initial promissory note described hereinabove or \$ n/a, whichever is greater, plus interest thereon, and any disbursements made by the Mortgagee pursuant to the authority of this mortgage with interest on such disbursements.
2. To make all payments required by the note and this mortgage promptly when due.
3. To pay all taxes, assessments, liens and encumbrances on the property promptly when due. If they are not promptly paid the Mortgagee may pay them without waiving the option to foreclose, and such payments, with interest at a rate 2% higher than the note secured hereby or at the maximum rate allowed by law, whichever is lesser, shall be payable on demand by Mortgagee and shall be secured by this mortgage.

4. To keep all buildings now or hereafter present on that land insured for the full insurable value thereof against fire, lightning and windstorm, and in addition thereto all other coverage required on properties mortgaged to Federal or State banks and savings and loan associations by Federal and State regulations regulating such banks and savings and loan associations, including insurance against damage by flood, if such insurance is available. Mortgagor shall furnish Mortgagee with said policy or policies of insurance which shall show Mortgagee as a loss payee thereon. If the mortgagor shall not do so, the Mortgagee may do so without waiving the option to foreclose, and the cost thereof, with interest thereon from the date of payment at a rate 2% higher than the note secured hereby or at the maximum rate allowed by law, whichever is lesser, shall be payable upon demand by Mortgagee and shall be secured by this mortgage. If any sum become payable under such policy, the Mortgagee may apply it to the indebtedness secured by this mortgage, or may permit the Mortgagor to use it for other purposes, without impairing the lien of this mortgage.
5. That it will not commit, permit, or suffer any waste, impairment or deterioration of the mortgaged property. Upon the failure of the Mortgagor to keep the buildings on the property in good condition or repair, Mortgagee may demand either the adequate repair of the buildings, an increase in the amount of security, or the immediate repayment of the debt secured. Failure of the Mortgagor to comply with the demand of the Mortgagee for a reasonable time shall constitute a breach of this mortgage.
6. To pay all expenses reasonably incurred by the Mortgagee because of failure of the Mortgagor to comply with the agreements in the note or this mortgage, including reasonable attorneys' fees through all appeals. The cost thereof, with interest thereon from the date of payment at the same rate as specified in the note, shall also be secured by this mortgage.
7. That if any of the said installments of principal or interest due or payable by the terms of said promissory note is not paid when due, or if any agreement in this mortgage other than the agreement to make the payments is breached, the entire unpaid principal balance of the note plus interest, costs, and attorney's fees, shall immediately become due at the option of the Mortgagee, and the Mortgagee may foreclose this mortgage in the manner provided by law, and have the mortgaged property sold to satisfy or apply on the indebtedness hereby secured.
8. The rents and profits of the mortgaged property are also hereby mortgaged, and if proceedings to foreclose this mortgage shall be instituted, the court having jurisdiction thereof should appoint a receiver of the mortgaged property, and apply those rents and profits to the indebtedness hereby secured, regardless of the solvency of the Mortgagor or the adequacy of the security.
9. If this is a junior mortgage the Mortgagor shall pay all installments of principal and interest and perform each and every covenant and obligation of the prior mortgage. Failure of the Mortgagor to do so shall constitute a default hereunder. Upon the failure of the Mortgagor to do so, the Mortgagee may (but shall not be required to) make such payments or perform such covenants or obligations and the cost of same, together with interest at a rate 2% higher than the note secured hereby or at the maximum rate allowed by law, whichever is lesser, shall be payable by the Mortgagor upon demand by the Mortgagee and shall be secured by the lien of this mortgage.
10. Notwithstanding any other provisions hereof, Mortgagee shall under no circumstances be entitled to collect any interest or other payment hereunder which would render this instrument usurious as to the Mortgagor under the laws of the State of Florida.
