4. To keep all buildings now or hereafter present on that land insured for the full insurable value thereof against fire, lightning and windstorm, and in addition thereto all other coverage required on properties mortgaged to Federal or State banks and savings and loan associations by Federal and State regulations regulating such banks and savings and loan associations, including insurance against damage by flood, if such insurance is available. Mortgagor shall furnish Mortgagee with said policy or policies of insurance which shall show Mortgagee as a loss payee therein. If the Mortgagor shall not do so, the mortgagee may do so without waiving the option to foreclose, and the cost thereof, with interest thereon from the date of payment at a rate 2% higher than the note secured hereby or at the maximum rate allowed by law, whichever is lesser, shall be payable upon demand by Mortgagee and shall be secured by this mortgage. If any sum becomes payable under such policy, the Mortgagee may apply it to the indebtedness secured by this mortgage, or may permit the Mortgagor to use it for other purposes, without impairing the lien of this mortgage.
5. That it will not commit, permit, or suffer any waste, impairment or deterioration of the mortgaged property. Upon the failure of the Mortgagor to keep the buildings on the property in good condition or repair, Mortgagee may demand either the adequate repair of the buildings, an increase in the amount of security, or the immediate repayment of the debt secured. Failure of the Mortgagor to comply with the demand of the Mortgagee for a reasonable time shall constitute a breach of this mortgage.
6. To pay all expenses reasonably incurred by the Mortgagee because of failure of the Mortgagor to comply with the agreements in the note or this mortgage, including reasonable attorneys' fees through all appeals. The cost thereof, with interest thereon from the date of payment at the same rate as specified in the note, shall also be secured by this mortgage.
7. That if any of the said installments of principal or interest due or payable by the terms of said promissory note is not paid when due, or if any agreement in this mortgage other than the agreement to make the payments is breached, the entire unpaid principal balance of the note plus interest, costs and attorneys' fees, shall immediately become due at the option of the Mortgagee, and the Mortgagee may foreclose this mortgage in the manner provided by law, and have the mortgaged property sold to satisfy or apply on the indebtedness hereby secured.
8. The rents and profits of the mortgaged property are also hereby mortgaged, and if proceedings to foreclose this mortgage shall be instituted, the court having jurisdiction thereof should appoint a receiver of the mortgaged property, and apply those rents and profits to the indebtedness hereby secured, regardless of the solvency of the Mortgagor or the adequacy of the security.
9. If this is a junior mortgage the Mortgagor shall pay all installments of principal and interest and perform each and every covenant and obligation of the prior mortgage. Failure of the Mortgagor to do so shall constitute a default hereunder. Upon the failure of the Mortgagor to do so, the Mortgagee may (but shall not be required to) make such payments or perform such covenants of obligations and the cost of same, together with interest at a rate 2% higher than the note secured hereby or at the maximum rate allowed by law, whichever is lesser, shall be payable by the Mortgagor upon demand by the Mortgagee and shall be secured by the lien of this mortgage.
10. Notwithstanding any other provisions hereof, Mortgagee shall under no circumstances be entitled to collect any interest or other payment hereunder which would render this instrument usurious as to the Mortgagor under the laws of the State of Florida.

IN WITNESS WHEREOF, the said Mortgagor has executed these presents, this the date and year first above written.
