Agreement grants Purchaser agency powers to represent the Seller's interest in the Estate beyond the Assigned Inheritance Amount.

In consideration of PURCHASER's agreement to purchase a part of SELLER's beneficial interest in the Estate, SELLER hereby waives and gives up any right SELLER may have under law to disclaim SELLER's right to inherit from the Estate. SELLER warrants and agrees not to take any action that may in any manner defeat, eliminate, reduce, delay or prevent PURCHASER's receipt of full payment of the Assigned Inheritance Amount from the Estate.

SELLER represents that SELLER has the power and competence to enter into this Agreement, and does so willingly and freely. The Purchase Price has been arrived at on an arm's length basis and is fair and reasonable in terms of the Assigned Inheritance Amount and the business risks assumed by PURCHASER. Entering into this Agreement and carrying out the actions provided for in this Agreement will not cause SELLER to be in breach or violation of any other agreement or legal obligation to which SELLER is a party. SELLER represents to PURCHASER that SELLER does not now or in the immediate future contemplate filing for bankruptcy and that SELLER has not consulted any lawyer or other professional within the last ninety (90) days regarding the possibility of a bankruptcy filing, assignment for the benefit of creditors or any other insolvency proceeding. In the event that SELLER should file for relief under Title 11, United States Code, SELLER acknowledges that PURCHASER shall be entitled to enforce all its rights as a creditor secured by a lien on all of SELLER's distributions from the Estate pursuant to 11 U.S.C. §506, including rights to seek adequate protection of such interest as defined by 11 U.S.C. §361.

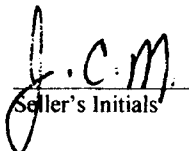

SELLER and PURCHASER acknowledge that the purchase and ownership of the Assigned Inheritance Amount involves substantial economic risk to PURCHASER. The parties recognize and acknowledge that the assignment and transfer of the Assigned Inheritance Amount to PURCHASER is an absolute sale and transfer of ownership by SELLER. SELLER understands that this transaction is not a loan and that this Assignment Agreement is not intended as collateral for any loan. Other than recourse for any expense or damage arising out of the material breach of the Assignment Agreement or fraud by SELLER, SELLER has no obligation, personally, to pay any amount to PURCHASER.

In accordance with California Probate Code Section 11604.5, nothing in this Assignment Agreement (i) holds PURCHASER harmless, other than for liability arising out of fraud by SELLER, (ii) requires payment to PURCHASER from SELLER for services not related to the Assignment Agreement or services other than the sale of the Assigned Inheritance Amount under the Assignment Agreement, or (iii) permits PURCHASER to have recourse against SELLER if the distribution from the Estate in satisfaction of the Assigned Inheritance Amount is less than the Assigned Inheritance Amount, other than recourse for any expense or damage arising out of the material breach of the Assignment Agreement or fraud by SELLER.

This instrument binds SELLER and the heirs, executors, administrators, successors and assigns of SELLER. All benefits and rights of PURCHASER shall inure to PURCHASER and its successors and assigns.

This Agreement is made and shall be interpreted under the laws of the State of California. It may be amended only in a writing that is dated and signed by the parties.
