6. The rents and profits of the mortgaged property are also hereby mortgaged, and if proceedings to foreclose this mortgage shall be instituted, the court having jurisdiction thereof should appoint a receiver of the mortgaged property and apply those rents and profits to the indebtedness hereby secured, regardless of the solvency of the mortgagor or the adequacy of the security, or to otherwise administer the application of said rents and profits in accordance with the law.

7. To keep all buildings, now or hereafter on that land insured against damage by fire, lightning and other insurable hazards in a sum equal to the maximum insurable value, by an insurer satisfactory to the mortgagee, with loss, if any, payable to Mortgagee or Assigns, until indebtedness is fully said. If the mortgagor shall not do so, the mortgagee may do so without waiving the option to foreclose and the cost thereof, with interest thereon from the date of payment at the maximum rate allowed by law shall also be secured by this mortgage. If any sum becomes payable under such policy, the mortgagee may apply it to the indebtedness secured by this mortgage or may permit the mortgagor to use it for other purposes without impairing the lien of this mortgage.

8. Time is of the essence concerning this mortgage and all acts required to be done and performed hereunder.

9. Mortgagor covenants and agrees not to sell, convey, transfer, or further encumber any interest in or any part of the mortgaged property without payment in full of the amounts secured hereby or otherwise obtaining the prior written consent of the mortgagee. In the event the mortgaged property is conveyed in violation of this provision, the entire amount secured hereby shall immediately become due and payable and if said amount is not promptly paid, mortgagee may foreclose this mortgage in the manner provided by law.
