INSTRUMENT 2004-267461

Although it is the intention of the parties that this instrument shall be a present assignment, it is expressly understood and agreed, anything herein contained to the contrary notwithstanding, that the Assignee shall not exercise any of the rights or powers herein conferred upon it until a default shall occur under the terms and provisions of this Assignment or of the Promissory Note or Mortgage, but upon the occurrence of any such default the Assignee shall be entitled, upon notice to the lessees, to all rents and other amounts then due under the leases and thereafter accruing, and this Assignment shall constitute a direction to and full authority to the lessees to pay all such amounts to the Assignee without proof of the default relied upon. The lessees are hereby irrevocably authorized to rely upon and comply with (and shall be fully protected in so doing) any notice or demand by the Assignee for the payment to the Assignee of any rental or other sums which may be or thereafter become due under the leases and shall have no right or duty to inquire as to whether any default under the Mortgage, Promissory Note or this Assignment has actually occurred or is then existing.

This Assignment is intended to be supplementary to and not in substitution for or in derogation of any assignment of rents contained in the Mortgage or in any other document. In the event the Assignee grants one or more partial release of the lien of the Mortgage from portions of the Premises, upon recording of such partial release(s) the same shall constitute a partial release of this Assignment as to the property described in such release(s).

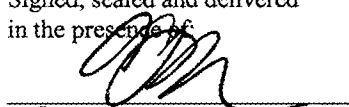

This Assignment shall include any extensions and renewals of the leases and any reference herein to the said leases shall be construed as including any such extensions and renewals.

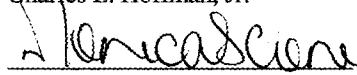

This instrument shall be binding upon and inure to the benefit of the respective successors and assigns of the parties hereto. This Assignment shall cover all leases and rental arrangements of the Assignor and all subsequent owners of the property.

IN WITNESS WHEREOF, the Assignor hereto has caused this Assignment to be executed and delivered on this 23rd day of July, 2004.

withhold payment of rent;

(e) that notwithstanding any variation of the terms of the Mortgage and Security Agreement or any extension of time for payment thereunder or any release of part or parts of the lands conveyed thereunder, the leases and benefits hereby assigned shall continue as additional security in accordance with the terms hereof; and

(f) not to sell, transfer, assign, or remove any personal property now or hereafter located on the above described premises, unless such action results in substitution or replacement with similar items, owned by Assignor and not otherwise encumbered, of equal value, without the prior written consent of Assignee.

This Assignment is given as additional security for the payment of the Promissory Note of the Assignor dated July 23, 2004, in the sum of Seventy Six Thousand Dollars, (\$76,000.00), any renewals, extensions, modifications and consolidations of said Promissory Note, and all other sums secured by the Mortgage ("Mortgage") of even date therewith from the Assignor to Assignee, as mortgagee, including future advances which may be made. All amounts collected hereunder, after deducting the expenses of collection, shall be applied on account on the indebtedness secured by said Mortgage, or in such manner as may be provided for in the Mortgage, or in any general assignment of rents relating to said premises. Nothing herein contained shall be construed as constituting Assignee a trustee or mortgagee in possession. In the event said Mortgage is fully paid and satisfied, canceled and released, then the releasing of said mortgage shall constitute a satisfaction, cancellation and release hereof.

Upon issuance of a deed or deeds pursuant to foreclosure of the mortgage, all right, title and interest of the Assignor in and to said leases, shall, by virtue of this instrument, thereupon vest in and become the absolute property of the grantee or grantees in such deed or deeds without any further act or assignment by the Assignor. Assignor hereby irrevocably appoints Assignee and its successors and assigns, as its agent and attorney-in-fact, to execute all instruments of assignment or further assurance in favor of such grantee or grantees in such deed or deeds, as may be necessary or desirable for such purpose. Nothing contained herein, however, shall prevent Assignee from terminating any subordinate lease through such foreclosure.

In the exercise of the powers herein granted the Assignee, no liability shall be asserted or enforced against the Assignee, all such liability being hereby expressly waived and released by the Assignor. The Assignee shall not be obligated to perform or discharge any obligation, duty or liability under said leases, or under or by reason of this Assignment, and the Assignor shall and does hereby agree to indemnify the Assignee for and to hold it harmless of and from any and all liability, loss or damage which it may or might incur under said leases or under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against it by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in said leases. Should the Assignee incur any such liability, loss or damage under said leases or under or by reason of this Assignment, or in the defense of any such claims or demands, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall be secured hereby, and the Assignor shall reimburse the Assignee therefor immediately upon demand.
