INSTRUCTIONS

Tax Collector (complete Parts 1-4)

Part 2: Certificates Owned by Applicant and Filed with Tax Deed Application

Enter the Face Amount of Certificate in Column 3 and the Interest in Column 4 for each certificate number. Add Columns 3 and 4 and enter the amount in Column 5.

Part 3: Other Certificates Redeemed by Applicant (Other than County)

Total. Add the amounts in Columns 3, 4 and 5

Part 4: Tax Collector Certified Amounts (Lines 1-7)

Line 1, enter the total of Part 2 plus the total of Part 3 above.

Total Paid, Line 7: Add the amounts of Lines 1-6

Line 6, Interest accrued by tax collector. Calculate the 1.5 percent interest accrued from the month after the date of application through the month this form is certified to the clerk. Enter the amount to be certified to the clerk on **Line 6**. The interest calculated by the tax collector stops before the interest calculated by the clerk begins. See Section 197.542, F.S., and Rule 12D-13.060(3), Florida Administrative Code.

The tax collector's interest for redemption at the time of the tax deed application is a cost of redemption, which encompasses various percentages of interest on certificates and omitted or delinquent taxes under Section 197.502, F.S. This interest is calculated before the tax collector calculates the interest in Section 197.542, F.S.

Attach certified statement of names and addresses of persons who must be notified before the sale of the property. Send this form and any required attachments to the Clerk of Court within 10 days after it is signed.

Clerk of Court (complete Part 5)

Line 13: Interest is calculated at the rate of 1.5 percent per month starting from the first day of the month after the month of certification of this form through the last day of the month in which the sale will be held. Multiply the calculated rate by the total of **Line 7**, minus **Line 6**, plus **Lines 8 through 12**. Enter the amount on **Line 13**.

Line 14: Enter the total of Lines 8-13. Complete Lines 15-18, if applicable.

All personal property, goods, fixtures, equipment, inventory, appliances, furniture and furnishings, building service equipment, building materials, supplies, and all replacements thereof, and equipment; all general intangibles, accounts, cash, instruments, deposit accounts, chattel paper, letters of credit, all governmental permits relating to any construction by Borrower, and all rights to carry on business under any such names or all variants thereof, and all trademarks and goodwill; and all proceeds, including insurance proceeds, sales proceeds (whether resulting as a consequence of sales of single or multiple units constructed on the Property or a bulk or liquidation sale of the Property or any portion thereof), or damages or settlement proceeds arising from a breach or alleged breach of any agreement relating to the foregoing, of all or any portion of the Property ("**Personal Property**").

All appurtenances of the Property and all rights of Borrower in and to any streets, roads or public places, easements or rights of way, relating to the Property.

All of the rents, royalties, profits and income of the Property ("**Rents**"), and all rights of Borrower under all present and future leases affecting the Property, including but not limited to any security deposits.

All proceeds and claims arising on account of any damage to or taking of the Property or any Improvements thereon or any part thereof, and all causes of action and recoveries for any loss or diminution in the value of the Property or any Improvements.

TO HAVE AND TO HOLD the above granted and described Property unto and to the use and benefit of Lender, and to the successors and assigns of Lender, forever.

Provided, however, these presents are upon the express condition that, if Borrower shall well and truly pay the Lender the secured indebtedness at the time and in the manner provided in the Note (hereinafter defined), this Security Instrument and the Loan Documents shall well and truly perform the other obligations as set forth therein and shall well and truly abide by and comply with each and every covenant set forth herein, these presents and the estate hereby granted shall cease, terminate and be void; provided however, that Borrower's obligation to indemnify and hold harmless Lender pursuant to the provisions hereof with respect to matters relating to any period of time during which this security instrument was in effect shall survive any such payment or release.

Borrower covenants that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant, convey and assign the Property, that the Property is unencumbered, and that Borrower will warrant and defend generally the title to the property against all claims and demands, subject to any easements and restrictions listed in the schedule of exceptions to coverage in a title insurance policy insuring Lender's interest in the Property; which exceptions, if any, have been approved by Lender.

SECURED OBLIGATIONS

This Security Instrument secures the following obligations ("**Obligations**"):

A. LOAN. Payment and performance of Borrower's indebtedness and obligations under that certain Adjustable Rate Secured Note of even date herewith in the amount of ONE MILLION THIRTY-FIVE THOUSAND AND 00/100 DOLLARS (\$1,035,000.00) which provides for an adjustable rate of interest (the "**Note**"), including all extensions, renewals and modifications of the Note, and any additional note or notes.

B. OTHER OBLIGATIONS. The payment and performance of Borrower's obligations under this Security Instrument. The payment of all sums advanced or paid out by Lender under or pursuant to any provision of this Security Instrument or to protect the security of this Security Instrument, together with interest thereon as provided herein.

C. MATURITY. The Note secured hereby matures on February 1, 2040.

ARTICLE 1 COVENANTS OF BORROWER

To protect the security of this Security Instrument, Borrower agrees:

1.1. Performance. Borrower agrees to pay all indebtedness and perform all obligations that are secured by this Security Instrument in accordance with their terms.

1.2. Insurance. Borrower shall maintain or cause to be maintained in force, until full payment of the Loans, policies of insurance satisfactory to Lender as follows:

1.2.1 "Special Form" property coverage with a maximum deductible of Five Thousand Dollars (\$5,000.00), including coverage for wind and hail with a maximum deductible of five percent (5%), if applicable, and such other insurable hazards as Lender shall reasonably require. The amount of such insurance shall be satisfactory to Lender and shall be equal to the greater of the amount of the Loan or eighty percent (80%) of the full replacement cost of the improvements, and shall have an agreed value endorsement added to the insured buildings. "Full replacement cost," as used herein, means the cost of replacing the improvements, exclusive of the cost of excavation, foundations, and footings;

1.2.2 "Special Form" covering all furniture, fixtures, and equipment necessary for the operation of the Improvements, including theft;

1.2.3 Flood insurance, in the event the improvements are located within Flood Zones "A" or "V" and such insurance is available pursuant to the provisions of the Flood Disaster Protection Act of 1973 or other applicable legislation;

1.2.4 Comprehensive/Commercial general liability insurance, covering bodily injury, property damage, and personal injury with adequate coverage, but not less than One Million Dollars (\$1,000,000.00) coverage per occurrence;

Lender shall be named as Lender's Loss Payee on Borrower's insurance policy using the ISO CP 12 18 06 07 Form, or its comparable, and provide Lender with such form.

Lender reserves the right, at Lender's sole discretion, to waive any of the stated coverage in Section 1.2 or to require any additional coverage, including but not limited to (a) a Key Man life insurance policy or (b) earthquake insurance, if applicable. Each policy of insurance shall be issued by an admitted insurance company in the state where the Property is located with an A.M. Best Rating of A-VII, and approved by Lender. All premiums on insurance policies shall be paid, by Borrower making payment, when due, directly to the carrier, or in such other manner as Lender may designate in writing.

All insurance policies and renewals thereof shall be in a form acceptable to Lender. Lender shall have the right to hold the policies, and Borrower shall promptly furnish to Lender all renewal notices and all receipts of paid premiums. At least ten (10) days prior to the expiration date of a policy, Borrower shall deliver to Lender a renewal policy, if possible, or other proof of insurance coverage satisfactory to Lender.

1.3. Assignment of Proceeds. All insurance proceeds on the Property, all proceeds of a sale of all or any portion of the Property, and all causes of action, claims, compensation, awards and recoveries for any damage, condemnation or taking of all or any part of the Property or for any damage or injury to it or for any loss or diminution in value of the Property, are hereby assigned to and shall be paid to Lender. At Lender's option, Lender may appear in and prosecute (either in its own name or in the name of Borrower) or participate in any suits or proceedings relating to any such proceeds, causes of actions, claims, compensation, awards or recoveries and may adjust, compromise or settle any claim in connection therewith. Lender shall apply any sums received by it under this Section 1.3 first to the payment of all of its reasonable costs and expenses (including but not limited to legal fees and disbursements) incurred in obtaining those sums, and then, in its absolute discretion and without regard to the adequacy of its security, to the payment of the indebtedness and obligations secured by this Security Instrument, except as provided in Section 1.10 below. Any application of such funds to the indebtedness secured hereby shall not be construed to cure or waive any Event of Default or invalidate any acts of Lender arising out of such Event of Default.

1.4. Taxes and Assessments. Borrower agrees to pay when due all taxes, fees, impositions, and assessments which are or may become a lien on all or any portion of or interest in the Property or which are assessed against the Property or its rents, royalties, profits and income. Borrower also agrees to pay when due all lawful claims and demands of mechanics, materialmen, laborers and others for any work performed or materials delivered with respect to the Property. In the event of the passage after the date of this Security Instrument of any law of the state where the Property is located, deducting from the value of land, for the purpose of taxation, any lien thereon, or changing in any way the laws now in force for the taxation of mortgages or debts secured by mortgages for state or local purposes or the manner of the collection of such taxes so as to affect this Security Instrument, the entire principal balance under said Note, together with all accrued interest thereon, at the option of Lender, without demand or notice, forthwith shall become due and payable; provided, however, that such option shall be ineffective if Borrower is permitted by law to pay the whole of such tax, in addition to all other payments required hereunder, and, if prior to such specified date, Borrower does pay such tax and agrees to pay any such tax when hereafter levied or assessed against the Property, and such agreement shall constitute a modification of this Security Instrument.

1.5. Perfection of Security. Borrower agrees to execute and deliver to Lender, from time to time on demand and at Borrower's cost and expense, any documents required to perfect and continue the perfection of Lender's interest in the Property.

1.6. Acceleration. Without the prior written consent of Lender (which consent may be withheld in Lender's sole and absolute discretion), Borrower shall not sell, encumber, assign, contract to sell, grant an option to sell, lease, or otherwise transfer or convey the Property or any portion thereof or interest therein or suffer its title therein to be divested whether voluntarily, by operation of law or otherwise, and Borrower shall not dissolve, cease doing business or terminate its existence. If such an event occurs without Lender's prior written consent, Lender may, in its sole option and upon written notice to Borrower, accelerate the maturity date of the sums secured hereby and declare all such sums immediately due and payable.

1.7. Waste; Changes in Zoning; Subdivision.

1.7.1. Borrower (a) shall not commit waste or permit impairment or deterioration of the Property or take any actions that might invalidate any insurance carried on the Property, (b) shall not abandon the Property, (c) shall restore or repair promptly and in a good and workmanlike manner all or any part of the Property to the equivalent of its original condition, in the event of any damage, injury or loss thereto, whether or not insurance proceeds are available to cover in whole or in part the costs of such restoration or repair, (d) shall keep the Property, including improvements, fixtures, equipment, machinery and appliances thereon in good repair and shall replace fixtures, equipment, machinery and appliances on the Property when necessary to keep such items in good repair, (e) shall comply with all laws, ordinances, regulations and requirements of any governmental body applicable to the Property, and (f) shall give notice in writing to Lender of and, unless otherwise directed in writing by Lender, appear in and defend any action or proceeding purporting to affect the Property, the security of this Security Instrument or the rights or powers of Lender. Lender shall have the right, but not the obligation, to enter upon and take possession of the Property and to make additions, alterations, repairs, or improvements to the Property which Lender may consider necessary or proper to keep the Property in good condition and repair. No Improvements may be removed, demolished or materially altered without the prior written consent of Lender, which Lender may withhold in its sole and absolute discretion. No personal property in which Lender has a security interest may be removed from the Property unless it is immediately replaced by similar property of at least equivalent value on which Lender will immediately have a valid first lien and security interest.

1.7.2. Without the prior written consent of Lender, which Lender may withhold in its sole and absolute discretion, Borrower shall not seek, make or consent to any change in the zoning or conditions of use of the Property. Borrower, at its sole cost, shall comply with and make all payments required under the provisions of any covenants, conditions or restrictions affecting the Property, including but not limited to those contained in any declaration and constituent documents of any condominium, cooperative or planned development project on the Property. Borrower, at its sole cost, shall comply with all existing and future requirements of all governmental authorities having jurisdiction over the Property.

1.7.3. If this Security Instrument covers a subdivision or common interest development ("**Subdivision**"), as defined under any law of the state where the Property is located which relates to the development or sale of a "common interest development" or a "subdivision," Borrower shall obtain, comply with and keep in effect all present and future permits, maps, bonds and other agreements required by applicable laws and regulations for the lawful construction or sale of the Subdivision lots and/or units. Borrower must also maintain an active sales program for the Subdivision, and always be in a position to convey insurable title to the lots and/or units to purchasers.

1.8. Books and Records.

1.8.1. Borrower shall keep adequate books and records of account of the Property and its own financial affairs on an accrual basis sufficient to permit the preparation of financial statements therefrom in accordance with generally accepted accounting principles. Lender shall have the right to examine, copy and audit Borrower's records and books of account at all reasonable times. If the Property is at any time used for commercial or residential income purposes, Borrower will deliver to Lender, upon request, certified financial statements and profit-and-loss statements for Borrower and the Property prepared in accordance with generally accepted accounting principles.

1.8.2. Borrower will promptly furnish from time to time, upon Lender's request, a duly acknowledged written statement setting forth all amounts due on the indebtedness secured by this Security Instrument and stating whether any offsets or defenses exist, and containing such other matters as Lender may reasonably require.

1.9. Defend Security. Borrower shall, at its own expense, appear in and defend any action or proceeding that might affect Lender's security or the rights or powers of Lender or that purports to affect any of the Property. If Borrower fails to perform any of its covenants or agreements contained in this Security Instrument or any of the other Loan Documents and such failure continues for fifteen (15) days following receipt of written notice from Lender of such failure, or if any action or proceedings of any kind (including but not limited to any bankruptcy, insolvency, arrangement, reorganization or other debtor relief proceeding) is commenced which might affect Lender's interest in the Property or Lender's right to enforce its security, then Lender may, at its option, make any appearances, disburse any sums and take any actions as may be necessary or desirable to protect or enforce the security of this Security Instrument or to remedy the failure of Borrower to perform its covenants, including without limitation payment on behalf of Borrower of any taxes, assessments, liens, insurance premiums, and repair or maintenance costs (without, however, waiving any default of Borrower). Borrower agrees to pay all reasonable out-of-pocket expenses of Lender thus incurred (including but not limited to fees and disbursements of counsel). Any sums disbursed or advanced by Lender shall be additional indebtedness of Borrower secured by this Security Instrument and may be payable by Borrower upon demand. Any such sums so disbursed or advanced by Lender may bear interest at the Default Rate as set forth in the Note. This Section 1.9 shall not be construed to require Lender to incur any expenses, make any appearances, or take any other actions.

1.10. Damage and Destruction.

1.10.1. If the Property, or any portion thereof, is destroyed (in whole or in part), or is damaged by fire or other casualty, Borrower shall be obligated to continue to pay the Loans. Borrower shall give Lender prompt written notice of any such destruction or damage in excess of Ten Thousand Dollars (\$10,000.00).

1.10.2. Prior to the termination of this Security Instrument, the proceeds from any insurance resulting from any events described in the preceding Section less all expenses related thereto (the "**Net Proceeds**") shall be deposited in an account held by Lender or one of Lender's affiliated entities, to be known as the "Insurance Proceeds Fund". All Net Proceeds shall be applied in one or more of the following ways, as elected by Borrower in a written notice to Lender.

1.10.2.1. To the prompt repair, restoration, modification or improvement of the Property by Borrower, upon receipt by Lender of written request on applicable forms for each draw request accompanied by supporting invoices, statements, bills and approved construction draw form, signed by an officer or individual authorized to make draw requests on behalf of the Borrower; or

1.10.2.2. Toward the purchase of additional property, against which Borrower shall give a first lien to Lender; or

1.10.2.3. To the prepayment of the Loan in the same manner as partial prepayments are to be applied under the provisions of the Note, but without any premium or penalty; or

1.10.2.4. A combination of these purposes.

After the application of the Insurance Proceeds Fund proceeds as outlined above, any balance of the Net Proceeds remaining shall be paid to Borrower.

1.10.3. If the Net Proceeds are insufficient to pay in full the costs of the repair, restoration, modification or improvement required hereunder, Borrower will nevertheless complete the work so that the Property is in substantially the same condition as existed prior to such damage or destruction, or is in a condition of at least equivalent value and function, and Borrower will pay any cost in excess of the amount of the Net Proceeds held by Lender. Lender shall not be required to confirm the availability of such excess.

When Borrower has complied with all of the preceding portions of this Section 1.10, Lender may condition disbursement of the sums specified in subsection 1.10.3 above to Borrower on terms and conditions such as those governing disbursements of loan funds in construction loans made by Lender for similar properties.

1.11. Condemnation.

1.11.1. If title to all, or substantially all, of the Property shall be taken or condemned by competent authority for any public use or purpose, the gross amount awarded, less all attorneys' fees and other expenses and costs in the condemnation proceeding (the "**Net Condemnation Award**") shall be applied to the prepayment of the Loan in the same manner as partial prepayments are to be applied under the provisions of the Note. Any balance of the Net Condemnation Award shall be paid to Borrower. In the event the Net Condemnation Award shall be insufficient to pay in full the amount necessary to pay all outstanding principal, interest, Lender's fees and other costs applicable to the Loans, Borrower shall pay the amount of any such deficiency.

1.11.2. If less than substantially all of the Property shall be taken or condemned by competent authority for any public use or purpose, neither the term nor any of the obligations of Borrower under this Security Instrument shall be affected or reduced in any way.

1.11.2.1. If any part of the Property is taken, Borrower shall proceed to repair, replace, restore or rebuild the remaining parts so that the Property is in substantially the same condition as immediately prior to such condemnation or is in a condition of at least equivalent value and function.

1.11.2.2. The entire Net Condemnation Award, less expenses, shall be paid to the Borrower for use in repairing, restoring replacing and rebuilding as provided hereinabove. Said Award shall be transferred to the Borrower in the same manner as insurance proceeds are made available. If the Net Condemnation Award is less than the amount necessary for the Borrower to repair, replace, restore and rebuild, as set forth hereinabove, Borrower shall nevertheless complete the repair, replacement, restoration or rebuilding and pay the costs thereof. Lender shall not be required to confirm the availability of such excess.

1.11.2.3. If the Net Condemnation Award is in excess of the amount necessary to repair, replace, restore and rebuild, such excess shall be paid to Lender to be applied to (i) the prepayment of the Loan in the same manner as partial prepayments are to be applied under the provisions of the Note, (ii) purchase of additional property against which Borrower shall give a first lien to Lender, or (iii) to construct additional improvements on the Property remaining under the lien. The Borrower has the right to select which of the above and foregoing alternatives it desires to exercise, and shall notify Lender, in writing, which alternative is selected by Borrower.

1.11.3. Borrower shall be obligated to continue to make all payments required hereunder pending any such condemnation proceeding, and thereafter unless the Loans are paid in full.

1.11.4. Lender is authorized to join in and consent to deeds in lieu of condemnation as requested by Borrower upon receipt of a copy of the written agreement between the condemning authority and the Borrower.

1.12. Security Agreement and Fixture Filing. This Security Instrument is intended to be and shall constitute a security agreement as defined in the Uniform Commercial Code, the Borrower being the **Debtor** and the Lender being the **Secured Party**. Borrower hereby grants Lender a security interest in any items of personal property described in Exhibit "B" attached hereto which are not herein effectively made a part of the real property, for the purpose of securing all indebtedness and other obligations of Borrower now or hereafter secured by this Security Instrument. Borrower agrees that continuation statements covering said property may also be filed from time to time by Lender to perfect and continue the perfection of Lender's security interest with respect to said property, and to reimburse Lender for any costs incurred in filing such financing statements and any continuation statements. Borrower shall not create or allow the creation of any other security interest in said property. Upon the occurrence of any default by Borrower hereunder, Lender shall have the rights and remedies of a secured party under the Uniform Commercial Code, as well as all other rights and remedies available at law or in equity or as provided herein, all at Lender's option. Borrower and Lender agree that the filing of a financing statement in the records normally having to do with personal property shall never be construed as in any way derogating from or impairing this declaration and the hereby stated intention of the parties hereto that everything used in connection with the operation or occupancy of said property or the production of income therefrom is and, at all times and for all purposes and in all proceedings, both legal and equitable, shall be regarded as real property encumbered by this Security Instrument, irrespective of whether (a) any such item is physically attached to the buildings and improvements, (b) serial numbers are used for the better identification of certain equipment, or (c) any such item is referred to or reflected in any such financing statement so filed at any time. Such mention in the financing statement is declared to be for the protection of the Lender in the event any court or judge shall at any time hold that notice of Lender's priority of interest must be filed in the Uniform Commercial Code records to be effective against a particular class of persons, including, but not limited to, the federal government or any subdivision or entity of the federal government.

1.13. Compensation; Exculpation; Indemnification.

1.13.1. Borrower hereby agrees to indemnify Lender against, and holds it harmless from all losses, damages, liabilities, claims, causes of action, judgments, court costs, attorneys fees and other legal expenses, cost of evidence of title, cost of evidence of value, and other expenses which either may suffer or incur (a) by reason of this Security Instrument; or (b) by reason of the execution of this Security Instrument or in performance of any act required or permitted hereunder or by law; or (c) as a result of any failure of Borrower to perform Borrower's obligations; or (d) by reason of any alleged obligation or undertaking on Lender's part to perform or discharge any of the representations, warranties, conditions, covenants or other obligations contained in any other document related to the Property. Notwithstanding the foregoing, Borrower shall not be liable under this subsection 1.13.1 to the extent that Borrower

establishes that such liability is attributable solely and directly to the gross negligence or willful misconduct of Lender.

1.13.2. Borrower shall pay all indebtedness arising under this Section 1.13 immediately upon demand by Lender together with interest thereon from the date the indebtedness arises at the Default Rate of interest set forth in the Note (after giving effect to any notice and/or cure periods). Borrower's duty to indemnify Lender shall survive the release and cancellation of the Obligations and the release and reconveyance or any partial release or reconveyance of this Security Instrument.

ARTICLE 2 EVENTS OF DEFAULT

List of Events of Default. An Event of Default shall have occurred under this Security Instrument upon the occurrence of any of the following:

2.1. Borrower fails timely to make any payment required by the Note, any Future Advances, or any of the other Loan Documents; or

2.2. Borrower breaches any warranty or fails to perform any other covenant contained in this Security Instrument or any of the other Loan Documents, and does not cure that failure within the period of time, if any, that Lender may elect in its sole discretion to grant in writing to Borrower to cure that failure; or

2.3. If any representation or warranty of Borrower or of its members, general partners, principals, affiliates, agents or employees, or of any Guarantor or Indemnitor, if any, made herein or in the Indemnity or in any other Loan Document, in any guaranty, or in any certificate, report, financial statement or other instrument or document furnished to Lender shall have been false or misleading in any material respect when made; or

2.4. If Borrower or any Guarantor or any Indemnitor, if any, shall make an assignment for the benefit of creditors or if Borrower or any Guarantor or Indemnitor shall admit in writing its inability to pay, or Borrower's or any Guarantor's or any Indemnitor's failure to pay its debts as they become due; or

2.5. If (i) Borrower or any subsidiary or general partner or member of Borrower, or any Guarantor or any Indemnitor, if any, shall commence any case, proceeding or other action (A) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization, conservatorship or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it a bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts, or (B) seeking appointment of a receiver, trustee, custodian, conservator or other similar official for it or for all or any substantial part of its assets, or Borrower or any subsidiary or general partner or member of Borrower, or any Guarantor or any Indemnitor shall make a general assignment for the benefit of its creditors; or (ii) there shall be commenced against Borrower or any subsidiary or general partner or member of Borrower, or any Guarantor or any Indemnitor any case, proceeding or other action of a nature referred to in clause (i) above which (A) results in the entry of an order for relief or any such adjudication or appointment or (B) remains undismissed, undischarged or unbonded for a period of sixty (60) calendar days; or (iii) there shall be commenced against Borrower or any subsidiary or general partner or member of Borrower or any Guarantor or any Indemnitor any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distraint or similar process against all or any substantial part of its assets which results in the entry of any order for any such relief which shall not have been vacated, discharged, or stayed

or bonded pending appeal within sixty (60) calendar days from the entry thereof; or (iv) Borrower or any subsidiary or general partner or member of Borrower, or any Guarantor or any Indemnitor shall take any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (i), (ii) or (iii) above; or (v) Borrower or any subsidiary or general partner or member of Borrower, or any Guarantor or any Indemnitor shall generally not, or shall be unable to, or shall admit in writing its inability to, pay its debts as they become due; or

2.6. Subject to Borrower's right to contest certain liens as provided in this Security Instrument, if the Property becomes subject to any mechanic's, materialman's or other lien other than a lien for local real estate taxes and assessments not then due and payable and the lien shall remain undischarged of record (by payment, bonding or otherwise) for a period of thirty (30) calendar days; or

2.7. If any federal tax lien is filed against Borrower, any general partner of Borrower, any Guarantor, any Indemnitor, if any, or the Property and same is not discharged of record within thirty (30) calendar days after same is filed; or

2.8. Except as permitted in this Security Instrument, the actual or threatened alteration, improvement, demolition or removal of any of the Improvements without the prior consent of Lender; or

2.9. Damage to the Property in any manner which is not covered by insurance, which lack of coverage arises solely as a result of Borrower's failure to maintain the insurance required under this Security Instrument; or

2.10. Without Lender's prior consent, (i) Borrower engages a managing agent or manager for the Property, (ii) the managing agent if any for the Property resigns or is removed, (iii) the ownership, management or control of such managing agent is transferred to a person or entity other than the general partner, managing partner or managing member or Principal of the Borrower, or (iv) there is any material change in the property management agreement of the Property; or

2.11. This Security Instrument shall cease to constitute a first priority lien on the Property (other than in accordance with its terms); or

2.12. Seizure or forfeiture of the Property, or any portion thereof, or Borrower's interest therein, resulting from criminal wrongdoing or other unlawful action of Borrower, its affiliates, or any tenant in the Property under any federal, state or local law; or

2.13. If any default occurs under the Indemnity given by Borrower and Indemnitor, if any, to Lender and such default continues after the expiration of applicable notice and grace periods, if any; or

2.14. If any default occurs under any guaranty or indemnity executed in connection herewith and such default continues after the expiration of applicable grace periods, if any; or

2.15. Any other default or Event of Default occurs under this Security Instrument, the Note or any of the other Loan Documents, or a default occurs under any other agreement of Borrower relating to the Loan.

ARTICLE 3 REMEDIES

3.1. List of Remedies. At any time following an Event of Default, Lender may, at its option, and without notice to or demand upon Borrower:

3.1.1. Declare any or all indebtedness secured by this Security Instrument to be due and payable immediately;

3.1.2. Enter onto the Property, and it shall be lawful for the Lender, by such officer or agents, servants and employees as it may appoint or by court appointed receiver, to take possession of the Property (with the relevant books, papers and accounts of the Borrower), and to hold, operate and manage such Property, and from time to time make all needful repairs, and such alterations, additions, advances and improvements as to them shall seem wise; and to receive the rents, income, issues and profits thereof and out of them to pay all proper costs and expenses of so taking, holding and managing such Property, including reasonable compensation to the Lender, its agents, servants and employees and counsel, and any charges of the Lender hereunder, and any taxes and assessments and other charges prior to the lien of these presents which the Lender may deem appropriate to pay. The remainder of the monies so received by it shall be utilized to pay interest and principal on Loan as provided herein;

3.1.3. Cause Borrower to assemble any Personal Property and deliver it to Lender at a place designated by Lender;

3.1.4. At any time during the existence of an Event of Default, Lender at Lender's option may declare the Loan and indebtedness to be immediately due and payable without further demand, and may foreclose this Security Instrument by judicial proceeding and may invoke any other remedies permitted by Florida law or provided in this Security Instrument or in any other Loan Document. Lender shall be entitled to collect all reasonable costs and expenses incurred in pursuing such remedies, including attorneys' fees, costs of documentary evidence, abstracts and title reports. Borrower waives any and all rights to file or pursue permissive counterclaims in connection with any legal action brought by Lender under this Security Instrument, the Note or any other Loan Document.

3.2. Appointment of a Receiver. Upon the commencement of judicial proceedings to enforce the rights of the Lender, the Lender, as a matter of right, and without regard to the sufficiency of the security shall be entitled, if Lender in its sole discretion so desires, to the appointment (immediately and without notice to the Borrower, which is hereby waived) of a receiver of the Property, and of the income, rents, issues and profits thereof, pending such proceedings, with such powers as may be required to protect the interest of the Lender as the court making such appointment shall confer.

3.3. Waiver of Rights. Borrower waives all rights to direct the order in which any of the Property shall be sold in the event of any sale under this Security Instrument, and also any right to have any of the Property marshaled upon any sale. Borrower also hereby waives the right to assert any statute of limitations as a bar to the enforcement of the lien of this Instrument or to any action brought to enforce any loan documents.

3.4. Remedies are Cumulative. All remedies contained in this Security Instrument are cumulative, and Lender also has all other remedies provided by law, in equity, or in any other agreement between Borrower and Lender. No delay or failure by Lender to exercise any right or remedy under this Security Instrument shall be construed to be a waiver of that right or remedy or of any default by Borrower.

Lender may exercise any one or more of its rights and remedies at its option without regard to the adequacy of its security.

3.5. Payment of Expenses. Borrower shall pay all of Lender's expenses incurred in any efforts to enforce or otherwise protect any terms of this Security Instrument, whether or not any lawsuit is filed, including but not limited to legal fees and disbursements, foreclosure costs, escrow fees, filing fees, recording fees, and title charges.

3.6. No Cure or Waiver. Neither Lender nor any receiver's entry upon and taking possession of all or any part of the Property, nor any collection of rents, issues, profits, insurance proceeds, condemnation proceeds or damages, other security or proceeds of other security, or other sums, nor the application of any collected sum to any Obligation, nor the exercise of any other right or remedy by Lender or any receiver shall cure or waive any breach, Default or notice of default under this Security Instrument, or nullify the effect of any notice of default or sale (unless all Obligations then due have been paid and performed and Borrower has cured all other defaults), or impair the status of the security, or prejudice Lender in the exercise of any right or remedy, or be construed as an affirmation by Lender of any tenancy, lease, or option or a subordination of the lien of this Security Instrument.

3.7 Waiver of Jury Trial. EACH OF THE PARTIES HERETO IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

ARTICLE 4 MISCELLANEOUS

4.1. Invalidity. The invalidity or unenforceability of any one or more provisions of this Security Instrument will in no way affect any other provision.

4.2. Statement. Borrower agrees to pay Lender a reasonable charge, not to exceed the maximum allowed by law, for giving any statement of the status of the Obligations secured by this Security Instrument.

4.3. Notices. All notices given under this Security Instrument must be in writing and will be effectively served upon personal delivery, overnight delivery by a national overnight delivery service, or, if mailed, no later than forty-eight (48) hours after deposit in first class or certified United States mail, postage prepaid, sent to Lender at its address appearing on the front page of this Security Instrument and sent to Borrower at its address appearing on the front page of this Security Instrument, which address may be changed by written notice.

4.4. Rights of Lender to Release Debtors or Security. Without affecting Borrower's liability for the payment of any of the indebtedness secured by this Security Instrument, Lender may from time to time and without notice to Borrower (a) release any person liable for the payment of this indebtedness, (b) extend or modify the terms of that indebtedness, or (c) accept additional real or personal property of any kind as security, or alter, substitute or release any property securing that indebtedness, or (d) consent to the making of any map or plat of the Property, or to reconvey any part of the Property, or to join in granting any easement or creating any restriction on the Property, or to join in any subordination or other agreement affecting this Security Instrument.

4.5. Inspection Rights. Lender may at any reasonable times enter upon and inspect the Property in person or by agent.

4.6. Governing Law. This Security Instrument and all rights and obligations hereunder shall be governed by and interpreted according to the laws of the state where the Property is located.

4.7. Use of Pronouns. The term "Borrower" includes both the original Borrower and any subsequent owner or owners of any of the Property, and the term "Lender" includes the original Lender and also any future owner or holder, including pledges and participants, of the Note or any interests therein. Whenever the context requires, the singular includes the plural and vice versa and each gender includes each other gender.

4.8. Headings; Underlining. The headings of the articles and sections of this Security Instrument are for convenience only and do not limit its provisions. The use of underlining in this Security Instrument is for convenience only, and the parties understand and agree that the presence or absence of underlining shall not be used in interpreting or construing this Security Instrument or any provision hereof.

4.9. Waiver. Neither the acceptance of any partial or delinquent payment or performance nor the failure to exercise any rights upon a default shall be a waiver of Borrower's obligations hereunder. Lender's consent to any act or omission by Borrower will not be a consent to any other or subsequent act or omission or a waiver of the need for such consent in any future or other instance.

4.10. Successors and Assigns. Subject to the provisions of Section 1.6 hereof, the terms of this Security Instrument shall bind and benefit heirs, legal representatives, successors and assigns of Borrower and Lender.

4.11. Joint and Several Liability. If Borrower consists of more than one person or entity, each shall be jointly and severally liable to perform the Obligations of Borrower.

4.12. Release. Upon payment of the Loan and the indebtedness, Lender shall release this Security Instrument. Borrower shall pay Lender's reasonable costs incurred in discharging this Security Instrument.

4.13. Subrogation. Lender shall be subrogated to the lien of all encumbrances, whether released of record or not, paid in whole or in part by Lender pursuant to this Security Instrument or by the proceeds of any loan secured by this Security Instrument.

4.14. Time of the Essence. Time of the Essence as to all obligations under this security instrument.

4.15. Future Advances. Lender may from time to time, in Lender's discretion, make optional future or additional advances (collectively, "**Future Advances**") to Borrower, except that at no time shall the unpaid principal balance of all indebtedness secured by the lien of this Security Instrument, including Future Advances, be greater than an amount equal to two hundred percent (200%) of the original principal amount of this Note as set forth plus accrued interest and amounts disbursed by Lender for taxes, insurance and similar such matters. All Future Advances shall be made, if at all, within twenty (20) years after the date of this Security Instrument, or within such lesser period that may in the future be provided by law as a prerequisite for the sufficiency of actual or record notice of Future Advances as against the rights of creditors or subsequent purchasers for value. Borrower shall, immediately upon request by Lender, execute and deliver to Lender a promissory note evidencing each Future Advance together with a notice of such Future Advance in recordable form. All promissory notes evidencing Future Advances shall be secured,

pari passu, by the lien of this Instrument, and each reference in this Security Instrument to the Note shall be deemed to be a reference to all promissory notes evidencing Future Advances. Nothing in this provision shall be implied to require Lender to renew this obligation upon maturity or to advance additional loan funds under this provision

ARTICLE 5 ASSIGNMENT OF LEASES AND RENTS

5.1. Scope of Assignment. Borrower hereby absolutely and irrevocably grants, sells, assigns, transfers and sets over to Lender:

5.1.1. Rents. All Rents now existing or hereafter created and affecting all or any portion of the Property or the use or occupancy thereof.

5.1.2. Leases. All of Borrower's right, title and interest in and to all leases, subleases, subtenancies, licenses, occupancy agreements and concessions covering Property or any portion thereof or space therein now or hereafter existing, including all modifications, amendments, extensions and renewals thereof, and all rights and privileges incident thereto (collectively "**Leases**").

5.1.3. Security Deposits. All security deposits, guaranties and other security now or hereafter held by Borrower as security for the performance of the obligations of the Lessees under the Leases.

5.2. Effect of Assignment. This Assignment is intended by Borrower and Lender to create and shall be construed to create an assignment to Lender of all of Borrower's right, title and interest in the Rents and in the Leases, and shall be deemed to create a security interest therein for the payment of any indebtedness or the performance of any obligations of Borrower under the Note, or this Security Instrument. Borrower and Lender further agree that, during the term of this Assignment, the Rents shall not constitute property of Borrower (or of any estate of Borrower) within the meaning of 11 U.S.C. § 541, as amended from time to time.

5.3. Grant of License. By its acceptance of this Assignment and so long as an Event of Default shall not have occurred and be continuing hereunder, Lender hereby grants to Borrower a revocable license to enforce the Leases, to collect the Rents, to apply the Rents to the payment of costs and expenses incurred in connection with the development, construction, operation, maintenance, repair and restoration of the Property, and to any indebtedness secured thereby and to distribute the balance, if any, to Borrower.

5.4. Revocation of License. Upon the occurrence of an Event of Default, and at any time thereafter during the continuance of such default, Lender shall have the right to revoke the license granted to Borrower hereby by giving written notice of such revocation to Borrower. Upon such revocation, Borrower shall promptly deliver to Lender all Rents then held by Borrower and Lender shall thereafter be entitled to enforce the Leases, to collect and receive, without deduction or offset, all Rents payable thereunder, including, but not limited to, all Rents which were accrued and unpaid as of the date of such revocation and to apply such Rents as provided in this Security Instrument.

5.5. Appointment of Borrower as Agent for Lender.

5.5.1. Purpose of Appointment. Upon such revocation, Lender may, at its option, appoint Borrower to act as agent for Lender for the purpose of:

5.5.1.1. Managing and operating the Property and paying all expenses incurred in connection therewith and approved by Lender.

5.5.1.2. Enforcing the provisions of the Leases.

5.5.1.3. Collecting all Rents due thereunder.

5.5.2. Notice to Borrower to Act as Agent. If Lender so elects, Lender shall give written notice thereof to Borrower and Borrower agrees to act as agent of assignee for the purpose or purposes specified in such notice. Borrower shall promptly comply with all instructions and directions from Lender with respect thereto. Borrower shall not be entitled to any management fee, commission or other compensation unless expressly agreed to in writing by Lender.

5.5.3. Deposit of Rents Collected. All Rents collected by Borrower as agent for Lender pursuant to this Section shall be immediately deposited in an insured account in the name of Lender in a bank or other financial institution designated by Lender. All Rents collected by Borrower and all amounts deposited in such account, including interest thereon, shall be the property of Lender and Borrower shall not be entitled to withdraw any amount from such account without the prior written consent of Lender.

5.5.4. Purpose of Agency. The agency hereby created shall be solely responsible for the purpose of implementing the provisions of this Assignment and collecting the Rents due Lender hereunder. Nothing contained herein shall place upon Lender the responsibility for the management, control, operation, repair, maintenance or restoration of the Property nor shall Lender be liable under or be deemed to have assumed Borrower's obligations with respect to the Leases. Lender may at any time terminate the agency relationship with Borrower by written notice to Borrower.

5.6. Collection by Lender. Upon the occurrence of an Event of Default and at any time thereafter during the continuance thereof, Lender shall have the right, in addition to the rights granted pursuant to this Section 5.6 hereof, to collect all or any portion of the Rents assigned hereby directly or through a court-appointed receiver. Such right shall include any and all of the following:

5.6.1. Notice to Lessees to Pay Rents to Lender. The right to notify the Lessee or Lessees under the Leases, with or without taking possession of the Property, to demand that all Rents under such Leases thereafter be paid to Lender;

5.6.2. Enter and Possess the Property. The right to enter into possession of the Property, to assume control with respect to and to pay all expenses incurred in connection with the development, construction, operation, maintenance, repair or restoration of the Property, to enforce all Leases and to collect all Rents due there under, to apply all Rents received by Lender, to amend, modify, extend, renew and terminate any or all Leases, to execute new Leases, and to do all other acts which Lender shall determine, in its sole discretion, to be necessary or desirable to carry out the purposes of this Assignment; and

5.6.3. Specific Performance. The right to specifically enforce the provisions of this Assignment and if Lender shall so elect, to obtain the appointment of a receiver pursuant to and in accordance with the provisions of this Security Instrument.

5.7. Protection of Lessees. Borrower and Lender agree that all Lessees under any Leases shall be bound by and required to comply with the provisions of this Assignment. In connection therewith, Borrower and Lender further agree as follows:

5.7.1. Notice to Lessees of Assignment. If requested by Lender, Borrower shall: (i) notify each Lessee under any Lease now affecting all or any portion of the Property of the existence of this Assignment and the rights and obligations of Borrower and Lender hereunder; (ii) provide each Lessee with a copy of this Assignment; and (iii) obtain such Lessee's agreement to be bound and comply with the provisions hereof.

5.7.2. Reference to Assignment. All Leases hereafter executed with respect to the Property or any portion thereof shall contain a reference to this Assignment and shall state that such Lessee shall be bound by and shall comply with the provisions hereof.

5.7.3. Occurrence of Event of Default. Upon the occurrence of an Event of Default and at any time thereafter during the continuance thereof, Lender may, at its option, send any Lessee a notice to the effect that: (i) an Event of Default has occurred and that Lender has revoked Borrower's license to collect the Rents; (ii) Lender has elected to exercise its rights under this Assignment; and (iii) such Lessee is thereby directed to thereafter make all payments of Rents and to perform all obligations under its lease or for the benefit of Lender or as Lender shall direct.

5.7.4. Notice to Lessee to Comply with Leases. Upon receipt of any such notice from Lender, each Lessee is hereby instructed by Borrower and Lender to comply with the provisions of such notice, to make all payments of Rents and to perform all obligations under the lease to and for the benefit of Lender or as Lender shall direct. Such notice and direction shall remain effective until the first to occur of: (i) the receipt by Lessee of a subsequent notice from Lender to the effect that such Event of Default has been cured or that Lender has appointed Borrower to act as agent for Lender pursuant to this Assignment; (ii) the appointment of a receiver pursuant to this Assignment, in which event such Lessee shall thereafter make payments of Rents and perform all obligations under the leases as may be directed by such receiver; or (iii) the issuance of an order of a court of competent jurisdiction terminating this Assignment or otherwise directing such Lessee to pay Rents and perform its obligations in a manner inconsistent with said notice.

5.7.5. Lessee's Reliance on Notice from Lender. Each Lessee shall be entitled to rely upon any notice from Lender and shall be protected with respect to any payment of Rents made pursuant to such notice.

5.7.6. No Duty for Lessee to Investigate. Each Lessee who receives a notice from Lender pursuant to this Assignment shall not be required to investigate or determine the validity or accuracy of such notice or the validity or enforceability of this Assignment. Borrower hereby agrees to indemnify, defend and hold such Lessee harmless from and against any and all loss, claim, damage or liability arising from or related to payment of Rents or performance of obligations under any lease by such Lessee made in good faith in reliance on and pursuant to such notice.

5.7.7. No Assumption by Lender of Lease Obligations. The payment of Rents to Lender pursuant to any such notice and the performance of obligations under any Lease to or for the benefit of Lender shall not cause Lender to assume or be bound by the provisions of such Lease, including, but not limited to, duty to return any security deposit to the Lessee under such lease unless and to the extent such security deposit was paid to Lender by Borrower.

5.7.8. Assignment Binding on Lessees. The provisions of this Section 5.7 are expressly made for the benefit of and shall be binding on and enforceable by each Lessee under any Lease now or hereafter affecting all or any portion of the Property.

5.8. Application of Rents; Security Deposits. All Rents received by Lender pursuant to this Assignment shall be applied by Lender, in its sole discretion, to any of the following:

5.8.1. First, to pay any costs and expenses of collection of the Rents that may be incurred by Lender;

5.8.2. Second, to pay any costs and expenses incurred by Lender in connection with the development, construction, operation, maintenance, repair or restoration of the Property;

5.8.3. Third, to the establishment of reasonable reserves for working capital and for anticipated or projected costs and expenses of the Property, including, without limitation, capital improvements which may be necessary or desirable or required by law;

5.8.4. Fourth, to the payment of any indebtedness then owing by Borrower to Lender;
and

5.8.5. Thereafter, to remit the remainder, if any, to the person or persons entitled thereto.

5.8.6. In connection therewith, Borrower further agrees that all Rents received by Lender from any Lessee may be allocated, if Lender so elects, to the payment of all current obligations of such Lessee under its Lease and not to amounts which may be accrued and unpaid as of the date of revocation of Borrower's license to collect such Rents. Lender may, but shall have no obligation to, pursue any Lessee for the payment of Rents which may be due under its lease with respect to any period prior to the exercise of Lender's rights under this Assignment or which may become due thereafter. Lender shall not be liable to any Lessee for the payment or return of any security deposit under any Lease unless and to the extent that such security deposit has been paid to and received by Lender, and Borrower agrees to indemnify, defend and hold Lender harmless from and against any and all losses, claims, damages or liabilities arising out of any claim by a Lessee with respect thereto. Borrower further agrees that the collection of Rents by Lender and the application of such Rents by Lender to the costs, expenses and obligations referred to herein shall not cure or waive any default or Event of Default or invalidate any act (including, but not limited to, any sale of all or any portion of the Property or any property now or hereafter securing the Loans) done in response to or as a result of such Event of Default or pursuant to any notice of default or notice of sale issued pursuant to this Security Instrument.

5.9. Covenants of Borrower. Borrower agrees as follows:

5.9.1. No Amendment or Termination of Leases. Borrower shall not enter into, amend, modify or terminate any lease of all or any portion of the Property, except in accordance with the provisions of this Security Instrument;

5.9.2. No acceptance of Advance Rent. Borrower shall not accept advance rent in excess of one (1) month from any Lessee without the prior written consent of Lender;

5.9.3. Delivery of Leases. Upon request by Lender, Borrower shall provide Lender with true, correct and complete copies of all Leases, together with such other information relating to the Leases or to the Lessees thereunder as Lender shall reasonably request; and

5.9.4. Lender's Rights to Inspect Books and Records. Upon request of Lender, Borrower shall make available to Lender all books, records, financial statements and other information relating to the Leases, the collection of all Rents, and the disposition and disbursement thereof.

5.10. Priority of Assignment; Further Assurances. Borrower hereby represents and warrants that the Assignment of Rents hereby granted is a first priority assignment and that no other assignments of all or any portion of the Rents or the leases exist or remain outstanding. Borrower agrees to take such action and to execute, deliver and record such documents as may be reasonably necessary to evidence such assignment, to establish the priority thereof and to carry out the intent and purpose hereof, if requested by Lender, Borrower shall execute a specific assignment of any lease now or hereafter affecting all or any portion of the Property.

5.11. Lender Not Responsible for Borrower's Obligations. Nothing contained herein shall operate or be construed to obligate Lender to perform any of the terms, covenants and conditions contained in any lease or otherwise to impose any obligation upon Lender with respect to any lease, including, but not limited to, any obligation arising out of any covenant of quiet enjoyment therein contained in the event the Lessee under any such Lease shall have been joined as a party defendant in any action to foreclose and the estate of such Lessee shall have been thereby terminated. Prior to actual entry into and taking possession of the Property by Lender, this Assignment shall not operate to place upon Lender any responsibility for the operation, control, care, management or repair of the Property or any portion thereof and the execution of this Assignment by Borrower shall constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Property is and shall be that of Borrower, prior to such actual entry and taking of possession.

5.12. Termination of Assignment. A full and complete release and reconveyance of this Security Instrument shall operate as a full and complete release of all of Lender's rights and interest hereunder. Upon the recordation of such release and reconveyance, this Assignment shall thereafter be void and of no further effect.

THIS SECURITY INSTRUMENT IS A FIRST MORTGAGE. NO FURTHER MORTGAGES WILL BE RECORDED AGAINST THE PROPERTY WITHOUT THE PRIOR WRITTEN CONSENT OF THE LENDER. FAILURE TO COMPLY WITH THIS PROVISION SHALL CONSTITUTE A DEFAULT AND THE LOANS SHALL IMMEDIATELY BECOME DUE AND PAYABLE. CONSENT TO ONE FURTHER ENCUMBRANCE SHALL NOT BE DEEMED TO BE A WAIVER OF THE RIGHT TO REQUIRE SUCH CONSENT TO FUTURE OR SUCCESSIVE ENCUMBRANCES.

IN WITNESS WHEREOF, the undersigned have hereto set their hand and seal the above day and year above written.
