My Agent may make statutory elections and renounce or disclaim any interest in property by testate or intestate succession or by inter vivos transfer consistent with Texas law.

5. Powers of Appointment

My Agent may exercise in whole or in part, or decline to exercise, or disclaim my rights under any special or general power of appointment or any rights retained by me in any trust or otherwise, whether or not any such trust or other instrument was created by me or others.

6. Trusts

My Agent may create and fund inter vivos trusts of any type, whether revocable or irrevocable, and whether or not I am a beneficiary. With respect to any trust created by me or on my behalf, my Agent may amend, modify, revoke, or terminate the trust. Further, my Agent may add property to an existing or subsequently created trust, and accept transfers or distributions from any trustee of any trust, including any trust over which I have a right of receipt or withdrawal, whether as grantor, beneficiary, or otherwise.

Also, and without limiting the authority granted to my Agent in this Section, my Agent may:

- (i) create and fund a sole-benefit trust in accordance with United States Code, Title 42, Section 1396p(c)(2)(B);
- (ii) create and fund a self-settled special needs trust in accordance with United States Code, Title 42, Section 1396p(d)(4)(A);
- (iii) create and fund a qualified income trust in accordance with United States Code, Title 42, Section 1396p(d)(4)(B) if such a trust should be deemed necessary to qualify me for Medicaid benefits, and make arrangements for the diversion of my income to such a trust as necessary to comply with applicable Medicaid rules and regulations; and
- (iv) sign all necessary documents to allow me to join any trust qualifying under United States Code, Title 42, Section 1396p(d)(4)(C) and transfer any portion of my assets to such trust.

7. Safe-Deposit Boxes

My Agent may enter any safe-deposit box or other place of safekeeping standing in my name alone or jointly with another and to remove the contents and to make additions.

8. Loans and Notes

My Agent may engage in all dealings with respect to loans and forgiveness of debts. My Agent may borrow money on such terms as my Agent may decide in his or her sole discretion, on a secured or unsecured basis, and to execute all notes, mortgages, and other instruments relating to such, provided any such loan carries a fair market interest rate.

9. Annuities

My Agent may waive my right to be a beneficiary of a joint and survivor annuity, including a survivor benefit under a retirement plan. My Agent may withdraw from, transfer ownership, surrender, or purchase any commercial annuity, private annuity, or grantor retained annuity trust.

10. Government Agencies and Benefits

My Agent has the unrestricted power to deal with and obtain maximum entitlements and benefits relating to the Social Security Administration, Veterans Administration, Social Services Departments, Social Security Disability Insurance, Supplemental Security Income, Medicaid, Medicare, Worker's Compensation and all other government benefits or entitlement programs, including claims, planning for eligibility, and submission of applications and appeals. In this regard, my Agent is authorized to execute and deliver any power of attorney or authorization-to-act form requested or required by a governmental agency. This power shall impose no affirmative duty on my Agent to provide information and/or documentation to any government agency.

11. Deal with Tax Authorities

My Agent is authorized to:

- (i) deal with tax authorities, to execute and sign on my behalf any and all Federal, state, local, and foreign income and gift tax returns (as authorized under Section 1.6012-1(a)(5) of Title 26 of the Code of Federal Regulations or under any state, local, or foreign authority), including estimated returns and interest, dividends, gains, and transfers, and to pay any taxes, penalties, and interest due thereon;
- (ii) represent me or to sign an Internal Revenue Service Form 2848 (Power of Attorney or Declaration of Representative) or Form 8821 (Tax Information Authorization), or comparable authorization, appointing a qualified lawyer, certified public accountant, or enrolled agent (including my Agent, if so qualified) to represent me before any office of the Internal Revenue Service, state, local, or foreign taxing authority with respect to the types of taxes and years referred to above, and to specify on said authorization said types of taxes and years;
- (iii) receive from or inspect confidential information in any office of the Internal Revenue Service, state, local, or foreign tax authority;
- (iv) receive and deposit, in any one of my bank accounts, or those of any revocable trust of mine, checks in payment of any refund of Federal, state, local, or foreign taxes, penalties, and interest;
- (v) execute waivers (and offers of waivers) of restrictions on assessment or collection of deficiencies in taxes and waivers of notice of disallowance of a claim for credit or refund;
- (vi) execute consents extending the statutory period for assessment or collection of such taxes; to execute Offers in Compromise and Closing Agreements under Section 7121 or comparable provisions of the Internal Revenue Code, as amended, or any federal, state, local, or foreign tax statutes or regulations; and
- (vii) delegate authority to, or substitute another representative for any one of those previously appointed by me or my Agent, and to receive copies of all notices and other written communications involving my federal, state, local, or foreign taxes at such address as my Agent designates.

12. HIPAA Authorization

My Agent, and any successor Agent appointed in this power of attorney, shall have the power and authority of a designated representative for all purposes under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), 42 U.S.C. Section 1320d and 45 C.F.R. Parts 160-164. My Agent and successor Agent are authorized to execute releases and other documents necessary to obtain disclosure of individually identifiable health information, medical records, and patient files, including psychotherapy notes. This information includes, but is not limited to, any written opinion or assessment of my decision making capacity. This authorization and release apply to all information protected by HIPAA and shall only expire if I revoke this power of attorney.

13. Reimbursement of Health Care Agent

My Agent may reimburse my Agent under any health care directive, including but not limited to a Medical Power of Attorney, even if such Agent is my Agent, for any costs (including legal fees) reasonably incurred in or as a result of acting pursuant to such health care directive.

14. Employment of Professionals

My Agent may retain, discharge, and pay for, in the sole discretion of my Agent, the services of professionals, including, but not limited to, information technology experts, attorneys, accountants, financial planners, geriatric care managers, social workers, and any other health care professionals. My Agent is not obligated to retain or pay for any health care professional on my behalf.

15. Gifting Powers

Notwithstanding any other provision of this power of attorney, my Agent may make gifts of any interest I have in real or personal property ("my property") in any amount and in excess of the annual exclusion amount under Internal Revenue Code Section 2503(b), as amended, including gifts of real and personal property, outright or in trust, to or for the benefit of those persons or charitable entities, including my Agent, to whom, whether by right of survivorship, direction in my last will and testament, trust, or otherwise, such property would pass were I then deceased (such persons being hereinafter referred to as "Donees"). All gifts of my property shall be made keeping in mind: (1) the resources, both public and private, available for my care after the making of such gifts; and (2) the objective of preserving the largest possible amount of my estate for my Donees in the event I die, become incapacitated, or require long term care services. Accordingly, I authorize and encourage my Agent to engage in estate planning, financial planning, Medicaid planning, long term care planning and/or asset preservation planning, to such extent and in such manner, as my Agent shall deem necessary or advisable in order to serve my wishes. Gifts made pursuant to the authority granted herein shall, for all purposes, be deemed to have been "in my best interest" if: (1) made in accordance with the provisions of this section; and (2) made in the context of estate planning, financial planning, Medicaid planning, long term care planning and/or asset preservation planning pursuant to the recommendations of an attorney-at-law experienced in such matters.

Unless otherwise specified above, the value of any gift made pursuant to this Section may exceed the annual dollar limits of the federal gift tax exclusion under Section 2503(b) of the Internal Revenue Code. Further, any gift made pursuant to this Section must be made in accordance with, and to the extent my Agent has actual knowledge of, the following:

- (i) my pattern of prior giving; or
- (ii) the provisions contained in my estate planning or any other documents for beneficiaries to receive assets upon my death (for example, a trust, will, annuity or life insurance contract, or deed naming beneficiaries).

16. Gift-Splitting

If I become married, my Agent may make, join, and consent to gifts by my spouse pursuant to Section 2513 of the Internal Revenue Code, even if such gifts exceed my aggregate annual gift tax exclusion amount under Section 2503(b) of the Internal Revenue Code.

17. Intent to Return Home

It is my intention to return home if I should be in a hospital, rehabilitation center, or nursing home, and my Agent shall take all steps, including, but not limited to, executing any document, affidavit, or Declaration of Intent to Return Home on my behalf, to effectuate the same.

18. Domicile

My Agent may change or maintain my domicile and/or residency for any and all purposes and take any and all actions to effectuate the foregoing.

19. Nomination of Guardian

I intend hereby to render unnecessary any future proceeding for a court-appointed Guardian in the event I become temporarily or permanently incapacitated or incompetent. Accordingly, I request, in the strongest possible terms, that any court that may receive or act upon a petition for the appointment of a Guardian should deny such petition so long as my Agent is acting under this power of attorney.

If a Guardian is ever appointed for me in spite of this request, I direct that the person serving, or named to serve, as my Agent under this power of attorney be named as my Guardian.

20. Marital Agreements and Designation of Spouse as Agent

If I become married, my Agent may enter into, modify, or amend any pre-nuptial or post-nuptial agreement to which I am or hereafter become a party. If a named Agent is my spouse, then this power of attorney as to that named Agent is automatically revoked, and that Agent is deemed to have resigned as Agent upon the filing of any separation or dissolution action between us.

21. Caregiver Agreements

My Agent may enter into, execute, modify, alter, or amend any contract or agreement (for example, a Caregiver Agreement or Personal Services Contract) pertaining to my medical,

personal, or general care that I may require at my residence, assisted living facility, nursing facility, or in another's residence on my behalf. I expressly authorize my Agent to also serve as a caregiver under any such agreement and to be paid in accordance with the terms and conditions of such agreement, provided, however, that such services are compensated at fair market value.

22. Qualified Plans

My Agent may deal in all respects with any Qualified Plan or Individual Retirement Account that I may own and to make any and all available elections or beneficiary designations on my behalf. If I become married and my spouse is a participant in a Qualified Plan or Individual Retirement Account, I authorize my Agent to effect any waiver of my rights to any portion of said Plan or to any payout arrangement which may require my consent or approval by law, under any such Plan, or otherwise.

23. Enforcement Proceedings

My Agent may commence enforcement proceedings, at my expense, against any bank, savings and loan association, credit union, financial institution, brokerage firm, stock transfer agent, insurance company, title insurance company, or other person or entity that fails or refuses to honor this durable power of attorney.

24. Credit Cards

My Agent may use any credit card in my name; to make purchases on my behalf; to open a new credit card account and to close any existing credit card account.

25. Online Accounts, Digital Assets, and Digital Devices

Without limiting any other provision of this power of attorney, and subject to the limitations of any other provision of this power of attorney, my Agent has the powers described in this Section.

My Agent has full authority to deal with Online Accounts, Digital Assets, and Digital Devices of all kinds, wherever located. This authority includes, but is not limited to, the power to acquire, create, establish, access, control, modify, cancel, delete, continue, transfer, and take possession of such accounts, assets, and devices.

However, if I have used an online tool to direct the custodian of an Online Account, Digital Asset, or Digital Device to not disclose certain information, and if the online tool allows for the modification or deletion of that direction at all times, then such direction overrides the authority granted in this Section.

My Agent may request and change my access credentials to any Online Account, Digital Asset, and Digital Device (such as username, password, and secret question), and any third-party dealing with my Agent in good faith will be held harmless for releasing such access credentials.

For purposes of this power of attorney, the following definitions apply:

a. Online Accounts

The term "Online Accounts" means accounts that are accessible through the Internet or other similar method, including, but not limited to: bank accounts; investment accounts; other financial accounts; accounts with health care providers; social media accounts (like LinkedIn, Facebook, and Twitter); gambling and poker accounts; accounts with publishers; accounts for access to employee benefits; email accounts; accounts with Internet service providers; accounts to manage websites and website domain names; accounts with retail vendors; tax-preparation service accounts; affiliate marketing accounts; accounts with utility companies; user access accounts on third-party Digital Devices; and any other online account.

26. Domestic Pets

My Agent may make reasonable expenditures for the care, maintenance, support, and general welfare of my domestic pets, if any. Specifically, and without limitation, my Agent may consent to and make reasonable expenditures for medical treatment, boarding, and kennel care of any of my domestic pets. I authorize any and all payments from my funds for pet care provided by any person or entity, including my Agent.

In addition, my Agent may acquire a domestic service pet if, in my Agent's sole discretion, such service pet will benefit me.

27. Compensation and Reimbursement to Agent

If my Agent is a professional (such as an attorney; accountant; geriatric care manager; professional guardian, conservator, or other fiduciary; or other professional, including entities that provide similar services), my Agent is entitled to compensation for services rendered pursuant to this power of attorney at such professional's then stated rates. If my Agent is not a professional, my Agent is not entitled compensation.

Whether or not my Agent is a professional, my Agent is entitled to reimbursement for costs reasonably incurred while acting as my Agent, including, but not limited to: phone bills; postage; and travel expenses, if necessary, to supervise my care.

28. Estate and Long Term Care Planning

My Agent may engage in estate and long term care planning in furtherance of achieving asset preservation. Property transfers made pursuant to the authority granted herein may be made without restriction as to the value of the transfer, and shall, for all purposes, be deemed to have been "in my best interest" if: (1) made in accordance with the provisions of this section; and (2) made in the context of estate planning, financial planning, Medicaid planning, long term care planning, or asset preservation planning pursuant to the recommendations of an attorney-at-law experienced in such matters. My Agent may engage in such planning based on all relevant factors, including:

- (i) the value and nature of my property;
- (ii) my foreseeable obligations and need for maintenance;
- (iii) minimization of taxes, including income, estate, inheritance, generation skipping transfer, and gift taxes; and
- (iv) eligibility for a benefit, a program, or assistance under a statute or government regulation.

My Agent may take any action necessary to effectuate the foregoing, including to qualify me for Social Security Benefits, Supplemental Security Income, Veterans Benefits, Medicaid or any other government benefit program. Such actions may include but shall not be limited to the following:

- (i) convert non-exempt resources into exempt resources;
- (ii) divest me of assets, without restriction as to the value of the divestment;
- (iii) if I become married and my Agent is my spouse, my spouse may protect our assets, whether owned by me alone, my spouse alone, or by us together as husband and wife, so that my spouse's impoverishment because of my health care costs can be avoided, by whatever lawful methods that might be available;
- (iv) sign a Spousal Refusal (if I become married, and even if my Agent is my spouse);
- (v) sign an Assignment of Support (if I become married, and even if my Agent is my spouse);

- (vii) sign an application for Medical Assistance or any other government benefit program;
- (viii) serve as representative payee;
- (ix) if I become married, transfer the family residence to a spouse who does not need long-term health or nursing care, without restriction as to the value of the transfer;
- (x) make home improvements and additions to my family residence;
- (xi) pay off, partly or in full, any encumbrance on my family residence;
- (xii) purchase a family residence, if I do not own a family residence;
- (xiii) purchase a more expensive family residence; and
- (xiv) attend and represent me at Fair Hearings.

29. Ownership and Rights of Survivorship

My Agent may select, create, or change the rights of survivorship on any and all of my property, whether real or personal, including bank and investment accounts, insurance policies, annuities, qualified or nonqualified retirement plans, and real property interests, and may do so by any means, including by changing ownership, including the addition of a new joint tenant or the deletion of an existing joint tenant. My Agent may designate survivorship rights among one or more remaindermen and may designate the form of title among multiple remaindermen, including, but not limited to, as tenants in common, joint tenants, community property, or tenants by the entirety.

In particular, my Agent may execute any deed designating beneficiaries, including an enhanced life estate deed (also known as a “ladybird” deed), including with respect to my homestead property, if any, and may conduct any and all transactions with full power and authority in my Agent to sell, convey, mortgage, lease, and otherwise dispose of the property in accordance with the terms of the deed.

30. Beneficiary Designations

My Agent may select, create, revoke, or change beneficiary designations on any and all of my property, whether real or personal, including bank and investment accounts, insurance policies, annuities, qualified or nonqualified retirement plans, and real property interests.

31. Duty to Account

My Agent shall render statements of account of receipts, disbursements, principal on hand, and transactions conducted on my behalf if:

- (i) ordered by a court;
- (ii) requested by me, a guardian, conservator, trustee, or other fiduciary acting on my behalf; or

(iii) upon my death, requested by the Independent Executor of my estate.

If so requested, my Agent shall comply with the request within 90 days or provide a writing or other record substantiating why additional time is needed and shall comply with the request within an additional 90 days.

32. Spiritual and Religious Needs

My Agent may arrange for the involvement of religious clergy or spiritual leaders in my care, provide said persons access to me at all times, arrange or maintain my membership in religious or spiritual organizations, and create opportunities for me to derive comfort and spiritual satisfaction from such activities, including the purchase of religious books, tapes, and other materials.

33. Companionship

My Agent may provide for such companionship for me, in the sole discretion of my Agent, as will meet my needs and preferences at a time when I am disabled or otherwise unable to arrange for such companionship myself.

34. U.S. Mail

My Agent may open, read, respond to, and redirect my mail, and represent me before the U.S. Postal Service in all matters relating to mail service.

UNLESS YOU DIRECT OTHERWISE BELOW, THIS POWER OF ATTORNEY IS EFFECTIVE IMMEDIATELY AND WILL CONTINUE UNTIL IT TERMINATES.

CHOOSE ONE OF THE FOLLOWING ALTERNATIVES BY CROSSING OUT THE ALTERNATIVE NOT CHOSEN:

(A) This power of attorney is not affected by my subsequent disability or incapacity.

~~(B) This power of attorney becomes effective upon my disability or incapacity.~~

YOU SHOULD CHOOSE ALTERNATIVE (A) IF THIS POWER OF ATTORNEY IS TO BECOME EFFECTIVE ON THE DATE IT IS EXECUTED.

IF NEITHER (A) NOR (B) IS CROSSED OUT, IT WILL BE ASSUMED THAT YOU CHOSE ALTERNATIVE (A).

If Alternative (B) is chosen and a definition of my disability or incapacity is not contained in this power of attorney, I shall be considered disabled or incapacitated for purposes of this power of attorney if a physician certifies in writing at a date later than the date this power of attorney is executed that, based on the physician's medical examination of me, I am mentally incapable of managing my financial affairs. I authorize the physician who examines me for this purpose to disclose my physical or mental condition to another person for purposes of this power of attorney. A third party who accepts this power of attorney is fully protected from any action taken under this power of attorney that is based on the determination made by a physician of my disability or incapacity.

I agree that any third party who receives a copy of this document may act under it. Termination of this durable power of attorney is not effective as to a third party until the

third party has actual knowledge of the termination. I agree to indemnify the third party for any claims that arise against the third party because of reliance on this power of attorney. The meaning and effect of this durable power of attorney is determined by Texas law.

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment

can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest

shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5. Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. Preservation, Maintenance and Protection of the Property; Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. Borrower's Loan Application. Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument. If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of

any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers

unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.

18. Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the

purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

23. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument. Borrower shall pay any recordation costs. Lender may charge Borrower a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.

24. Attorneys' Fees. As used in this Security Instrument and the Note, attorneys' fees shall include those awarded by an appellate court and any attorneys' fees incurred in a bankruptcy proceeding.

25. Jury Trial Waiver. The Borrower hereby waives any right to a trial by jury in any action, proceeding, claim, or counterclaim, whether in contract or tort, at law or in equity, arising out of or in any way related to this Security Instrument or the Note.
