Power to Grant Releases

To grant, in conjunction with any instructions given under this Article, releases to hospital staff, physicians, nurses and other medical and hospital administrative personnel who act in reliance on instructions given by my Agent or who render written opinions to my Agent in connection with any matter described in this Article from all liability for damages suffered or to be suffered by me; to sign documents titled or purporting to be a "Refusal to Permit Treatment" and "Leaving Hospital Against Medical Advice" as well as any necessary waivers of or releases from liability required by any hospital or physician to implement my wishes regarding medical treatment or non-treatment.

IV. **Refusal of Medical Treatment - Article 1**

I desire that my wishes be carried out through the authority given to my Agent by this document despite any contrary feelings, beliefs or opinions of other members of my family, relatives or friends.
