MORTGAGE

STATE OF FLORIDA
COUNTY OF ESCAMBIA

GUIDO JACKSON and SANDRA M. JACKSON, husband and wide, hereinafter called "Mortgagor", in consideration of the principal sum specified in the promissory note hereafter described, received from TOWN OF CENTURY, hereinafter called "Mortgagee" (which terms Mortgagee and Mortgagee include the plural as well as the singular, whenever the context so permits or requires), hereby, on the 7 day of April, 2003, mortgages to Mortgagee the real property in Escambia County, Florida, described as:

All that certain lot or parcel of land situate in Escambia County, Florida, known and described as a parcel of property in the Northwest Quarter (NW 1/4) of the Southwest Quarter (SW 1/4) of Section 5, Township 5 North, Range 30 West, described as follows:

Begin 12 feet North and 318.45 feet East of the Southwest corner of the Northwest Quarter (NW 1/4) of the Southwest Quarter (SW 1/4) of said Section 5, and thence run North 198 feet; thence run East 200 feet; thence run South 198 feet and thence run West 200 feet to the Point of Beginning.

as security for the payment of the following:

One (1) Promissory Note (the "Note") of even date herewith in the original principal sum of \$60,000, together with interest on the unpaid balance at six percent (6%) per annum, said principal and interest payable in one hundred eighty (180) monthly installments beginning August 7, 2003.

AND Mortgagor mortgages hereby all title hereafter acquired as well as title heretofore acquired and does fully warrant the title to the mortgaged property and will defend the same against the lawful claims of all persons whomsoever, and Mortgagor further agrees:

1. To make all payments required by the Note and this mortgage promptly when due.
2. To pay all taxes, assessments, liens and encumbrances on the mortgaged property promptly when due. If they are not promptly paid Mortgagee may pay them without waiving the option to foreclose, and such payments, with interest at a rate two percent (2%) higher than the Note or at the maximum rate allowed by law, whichever is lesser, shall be payable on demand by Mortgagee and shall be secured by this mortgage.
3. To keep all buildings now or hereafter present on the mortgaged property insured for their full insurable replacement value against loss or damage by fire, windstorm, extended coverage and other perils, and including insurance against damage by flood, if such insurance is available and

is required by Mortgagee, by an insurance company or companies approved by Mortgagee. Mortgagor shall furnish Mortgagee with such policy or policies of insurance which shall show Mortgagee as a loss payee thereon. If Mortgagor shall fail to keep said buildings insured Mortgagee may do so without waiving the option to foreclose, and the cost thereof, with interest thereon from the date of payment at a rate two percent (2%) higher than the Note or at the maximum rate allowed by law, whichever is lesser, shall be payable upon demand by Mortgagee and shall be secured by this mortgage. If any sum becomes payable under such policy, Mortgagee may apply it to the indebtedness secured by this mortgage, or may permit Mortgagor to use it for other purposes, without impairing the lien of this mortgage.

4. To pay all expenses reasonably incurred by Mortgagee because of failure of Mortgagor to comply with the agreements in the Note or this mortgage, including reasonable attorneys' fees through all appeals. The cost thereof, with interest thereon from the date of payment at a rate two percent (2%) higher than the Note or at the maximum rate allowed by law, whichever is lesser, shall be payable upon demand by Mortgagee and shall be secured by this mortgage.

5. That if default be made in the payment of any installment of principal or interest or any part thereof, and such default is not cured within ten (10) days of the date on which such payment is due, or if failure be made to perform any of the covenants or agreements contained in the Note or this mortgage other than a failure to pay principal and interest when due and such default is not cured within fifteen (15) days after Mortgagee gives notice of such default, then at the option of Mortgagee, the principal sum remaining unpaid with accrued interest shall at once become due and payable without notice, and this mortgage shall at once become foreclosable upon the exercise of said option, time being of the essence of this contract, and said principal sum and accrued interest shall bear interest at the maximum rate allowed by law from such time until paid. Failure to exercise this option shall not constitute a waiver of the right to exercise the same at any other time.

6. The rents and profits of the mortgaged property are also hereby mortgaged, and if proceedings to foreclose this mortgage shall be instituted, the court having jurisdiction thereof should appoint a receiver of the mortgaged property, and apply those rents and profits to the indebtedness hereby secured, regardless of the solvency of Mortgagor or the adequacy of the security.

7. Notwithstanding any other provisions hereof, Mortgagee shall under no circumstances be entitled to collect any interest or other payment hereunder which would render this instrument usurious as to Mortgagor under the laws of the State of Florida.

8. If all or any part of the mortgaged property is sold or transferred by Mortgagor without the prior written consent of Mortgagee, excluding (a) the creation of a lien or encumbrance subordinate to this mortgage, (b) a transfer by devise, descent, or by operation of law upon the death of a Mortgagor or (c) the grant of any leasehold interest of three years or less not containing an option to purchase, Mortgagee may, at Mortgagee's option, declare all sums secured by this mortgage to be immediately due and payable.

9. If this is a junior mortgage, or if this is a mortgage on a leasehold estate, Mortgagor shall pay all installments of principal and interest and perform each and every covenant and

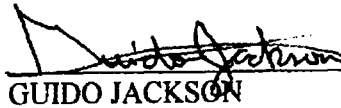

obligation of every prior mortgage or the lease. Failure of Mortgagor to do so shall constitute a default under this mortgage. Upon failure of Mortgagor to do so, Mortgagee may (but shall not be required to) make such payments or perform such covenants or obligations, and the cost thereof, with interest thereon from the date of payment at a rate of two percent (2%) higher than the Note or at the maximum rate allowed by law, whichever is lesser, shall be payable on demand by Mortgagee and shall be secured by this mortgage.

IN WITNESS WHEREOF, Mortgagor has executed these presents, this the date and year first above written.
